 - (1) if the parent receives both financial assistance under Chapter 31, Human Resources Code, and subsidized child care, whether the parent:
 - (A) finds employment; and
 - (B) maintains the parent's employment after one year;

- (2) if the parent receives only subsidized child care, whether the parent:
 - (A) maintains the parent's employment; and
 - (B) experiences a change in the parent's earnings after one year of employment; and
- (3) if the parent leaves the child care program:
 - (A) the parent's reason for leaving the program; and
 - (B) whether the parent returns to financial assistance under Chapter 31, Human Resources Code, or becomes a recipient of financial assistance under that chapter for the first time.
- (b) The commission may use the wage and employment records of the parents to determine the employment outcome of the parents.
- (c) The commission shall also measure and evaluate the effectiveness of the commission's child care program in:

Sec. 302.00435. Subsidized Child Care Program; Input Policy.

The commission shall develop a policy for obtaining, through appropriate methods, input from interested parties regarding its subsidized child care program and for using that input in administering that program.

Sec. 302.0044. Wage Tracking of TANF Choices Program Recipients

- (a) The commission, in consultation with local workforce development boards, shall compile the following information with regard to each recipient of employment services under the Temporary Assistance for Needy Families (TANF) CHOICES program:
 - (1) whether the recipient is placed in employment paying wages equal to or exceeding 200 percent of the federal poverty level for a family that is the size of the recipient's family; and
 - (2) if the recipient is placed in employment earning wages equal to or exceeding the amount described by Subdivision (1), whether the recipient has earned that amount before the first anniversary of the date of the recipient's initial date of employment.
- (b) Not later than December 15 of each year, the commission shall report to the legislature the percentage of recipients of employment services under the Temporary Assistance for Needy Families (TANF) CHOICES program who meet the wage criteria described by Subsections (a)(1) and (2).

Sec. 302.0046. Notice Regarding Termination of Certain Child-Care Services

- (a) The commission shall direct each local workforce development board to notify a working poor subsidy recipient who resides in that board's local workforce development area and who receives child-care services from a child-care services program financed through state or federal funds of any termination of the subsidy for any reason other than involuntary termination resulting from the recipient's actions or failure to act.

- (b) Except as otherwise provided by this subsection, the local workforce development board shall provide the notice in writing to the recipient not later than the 30th day before the scheduled date of termination of the affected child-care services subsidy. The notice must include information regarding other child-care services programs under which the recipient may be eligible for services. If providing notice on or before the deadline specified by this subsection would interfere with the ability of the local workforce development board to comply with its duties regarding the number of children to be served or would require the expenditure of funds in excess of the amount appropriated to the board, the board may provide the notice on the earliest date on which it is practicable for the board to provide notice.

Sec. 302.0047. Electronic Validation of Child-Care Services and Attendance

If feasible, the commission shall use an electronic validation system to ensure that parents verify that a provider of relative child care is providing care and that the child for whom the care is provided is in attendance during the period for which the child-care provider is being reimbursed for services.

Sec. 302.005. Child-Care Training Center Pilot Programs

- (a) The commission shall establish four pilot programs in which the division shall certify day-care facilities licensed under Chapter 42, Human Resources Code, as training centers that offer training and certification for recipients of public assistance in basic skills, child care, child-care vendor entrepreneurial training, and early childhood education. The commission shall determine the pilot sites, with at least one site in an urban area and at least one site in a rural area.
- (b) The commission shall cooperate with the Department of Protective and Regulatory Services in the adoption of rules under this section. The commission may not adopt a rule under this section that conflicts with a rule of the Department of Protective and Regulatory Services.
- (c) The commission shall award a contract to a child-care facility to act as a training center based on:
 - (1) the level of training of the facility's staff; and
 - (2) the history of the facility in delivering high-quality care.
- (d) The child-care subsidy for a person who participates in training through a pilot program and who qualifies for a subsidy for the person's child shall be paid directly to the facility. The facility may not count such a person in the facility's child-to-staff ratio.
- (e) A person who is a recipient of financial assistance under Chapter 31, Human Resources Code, may qualify to participate in training through a pilot program by applying to the commission and:

- (1) providing proof of possession of a high school diploma or the equivalent or enrollment in a program leading to a high school diploma or the equivalent;
 - (2) demonstrating possession of general skills and competence, as determined by commission rule; and
 - (3) demonstrating, to the satisfaction of the commission, a long-term commitment to the early childhood care profession.
- (f) Funding for a person who participates in training through a pilot program shall be provided through a work supplement program for 12 months. The commission may provide additional funding for the person to participate in training through the pilot program for an additional 12 months.
- (g) The commission may also provide funding for a person who participates in training through a pilot program to:
- (1) complete the person's Child Development Associate national credential, Certified Child-Care Professional Credential, or other child-care certification, as determined by the commission;
 - (2) participate in ongoing interactive training; and
 - (3) provide start-up grants and loans to establish the person's own child-care business.
- (h) A facility that provides training through a pilot program shall maintain a mentor relationship with each person who participates in training through the program at the facility. A person who participates in training at a facility may be required to participate in additional training programs after the date the person completes the pilot program.
- (i) The child of a person who participates in training through a pilot program is entitled to the same discounted rate for child-care services at the facility in which the person is participating in training that the facility offers to the facility's employees. The child-care subsidy provided for the person's child shall be paid to the facility in which the person is participating in training at the rate that the facility offers to the facility's employees. The money saved by the commission under this subsection may be used by the commission to administer the pilot program established under this section.
- (j) The commission shall adopt rules that establish eligibility criteria for a facility to participate in a pilot program and provide requirements for implementation of the pilot program.

(NOTE: S.B. 280, 78th Legislature, repealed (k).)

- (l) In this section, "**work supplement program**" means a program under which the state reserves all or part of the amounts that would be payable as benefits to welfare recipients and uses those amounts to provide and subsidize jobs for the recipients.

Sec. 302.006. Professional Child-Care Training Scholarships, Bonuses, and Wage Supplementation

- (a) The commission may develop and administer a program under which the commission awards scholarships in the amount of \$1,000 each for professional child-care training to eligible recipients.
