46	PART II I	MPACT STATEMENTS

1 Chris Nelson, Chief Financial Officer, has determined that for each year of the first five years the 2 repeal is in effect, the following statements will apply:

3 4

There are no additional estimated costs to the state and to local governments expected as a result of the repeal.

5 6 7

There are no estimated cost reductions to the state and to local governments as a result of the repeal.

8 9

10 There are no estimated losses or increases in revenue to the state or to local governments as a result of the repeal. 11

12 13

There are no foreseeable implications relating to costs or revenue of the state or local governments as a result of the repeal.

14 15 16

There are no anticipated economic costs to individuals required to comply with the repeal of these rules.

17 18 19

There is no anticipated adverse economic impact on small businesses, microbusinesses, or rural communities as a result of enforcing or administering the repeal of these rules.

20 21 22

23

Based on the analyses required by Texas Government Code §2001.024, TWC has determined that the requirement to repeal or amend a rule, as required by Texas Government Code §2001.0045, does not apply to this rule making.

24 25

Takings Impact Assessment

26 27 Under Texas Government Code, §2007.002(5), "taking" means a governmental action that 28 affects private real property, in whole or in part or temporarily or permanently, in a manner that 29 requires the governmental entity to compensate the private real property owner as provided by 30 the Fifth and Fourteenth Amendments to the United States Constitution or the Texas 31 Constitution, §17 or §19, Article I, or restricts or limits the owner's right to the property that 32 would otherwise exist in the absence of the governmental action, and is the producing cause of a 33 reduction of at least 25 percent in the market value of the affected private real property, determined by comparing the market value of the property as if the governmental action is not in 34 35 effect and the market value of the property determined as if the governmental action is in 36 effect. The Commission completed a Takings Impact Analysis for the proposed rulemaking action under Texas Government Code, §2007.043. The primary purpose of this proposed

37 38

rulemaking action, as discussed elsewhere in this preamble, is to eliminate rules that are specific 39 to implementation of WIA and to update and maintain in new and existing chapters elements of

40 Chapter 841 that remain relevant to agency operations.

- 42 The proposed rulemaking action will not create any additional burden on private real property.
- 43 The proposed rulemaking action will not affect private real property in a manner that would
- require compensation to private real property owners under the United States Constitution or the 44
- 45 Texas Constitution. The proposal also will not affect private real property in a manner that
- restricts or limits an owner's right to the property that would otherwise exist in the absence of the 46

governmental action. Therefore, the proposed rulemaking will not cause a taking under Texas Government Code, Chapter 2007.

3 4

Government Growth Impact Statement

- 5 TWC has determined that during the first five years the repeal will be in effect:
- 6 -- the repeal will not create or eliminate a government program;
- 7 --implementation of the repeal will not require the creation or elimination of employee positions;
- 8 --implementation of the repeal will not require an increase or decrease in future legislative
- 9 appropriations to TWC;
- 10 -- the repeal will not require an increase or decrease in fees paid to TWC;
- 11 -- the repeal will not create a new regulation;
- 12 -- the repeal will not expand, limit, or eliminate an existing regulation;
- 13 -- the repeal will not change the number of individuals subject to the rules; and
- 14 -- the repeal will not positively or adversely affect the state's economy.

15 16

Economic Impact Statement and Regulatory Flexibility Analysis

TWC has determined that the proposed repeal will not have an adverse economic impact on small businesses or rural communities, as the proposed repeal places no requirements on small businesses or rural communities.

20 21

Mariana Vega, Director of Labor Market and Career Information, has determined that there is no significant negative impact upon employment conditions in the state as a result of the repeal of these rules.

232425

26

22

Courtney Arbour, Director, Workforce Development Division, has determined that for each year of the first five years the repeal is in effect, the public benefit will be to update and streamline TWC rules.

272829

TWC hereby certifies that the proposed repeal has been reviewed by legal counsel and found to be within TWC's legal authority to adopt.
