1: The Commission is exercising authority as provided in TWC Rules [§800.51(f)] that, notwithstanding any other provision of the rules, the level of funding allocated to a workforce area may be determined, modified, or reallocated by the Commission. A workforce area funding level aggregated for each of WIOA, TANF Choices, SNAP E&T, and Employment Services should not be lower than an average of 20 percent of workforce areas (i.e., 6 LWDA) that comprise the smallest allocations among all workforce areas.

2: A determination regarding program amounts will be made each year by the Commission subject to the availability of funds.

1: For workforce areas with multiple service providers, the total funding available is determined based on the demographic factors for each county including an equal base amount.

2: Combined AEL Allocation includes all AEL funds, except for AEL Performance Based Funding. The funding percentages for AEL Federal (71.14%), AEL State Match (11.99%), EL/Civics (9.55%), and AEL TANF (7.32%) have been established at a similar level for each local workforce area to allow all AEL service providers to use a more streamlined approach in expending AEL funds.

3: AEL Performance Based Funding includes administrative costs.

4: The AEL administrative funds represent approximately 6.8 percent of the AEL Allocation Total. This overall 6.8 percent administrative funding amount was determined using the following percentages: AEL Federal (5.0%), AEL State Match (15.0%), EL/Civics (5.0%), and AEL TANF (15.0%).
