Pursuant to Texas Labor Code § 302.002(b), the Agency shall have the authority to enter into contracts and administer programs.

SECTION 2 - Purpose

This grant award sets forth the responsibilities and obligations of the Agency, the other party(ies) to this grant (hereinafter identified as the Grantee), and its Fiscal Agent (if different from the Grantee), with respect to the implementation and administration of the program defined within the Statements of Work.

SECTION 3 - Grant Performance

- 3.1 The Grantee understands that this grant award is not assignable. Notwithstanding any attempt to assign the grant, the Grantee shall remain fully liable for this grant award and shall not be released from performing any of the terms, covenants, or conditions herein.
- 3.2 The Grantee agrees to perform under this grant award in accordance with the commitments established within the Statements of Work, the Budget Summary and the Certifications. Services under this award shall be provided in compliance with:
 - 3.2.1 all applicable federal and state laws, regulations, and rules;
 - 3.2.2 all Agency policies and procedures or guidance materials incorporated herein by specific reference;
 - 3.2.3 the terms and conditions of this grant award; and
 - 3.2.4 appropriate federal and state licensing or certification requirements.

3.3 The Grantee has, or shall obtain within forty-five (45) days, personnel capabilities necessary to implement project requirements, and to ensure compliance with this grant award.

3.4 The Grantee shall notify the Agency in writing, within ten (10) days, of any change in key personnel assigned to the implementation and administration of this grant award.

(Key personnel are defined, for the purposes of this grant award, as those personnel whose oversight and guidance is essential to the work being performed hereunder and whose knowledge, qualifications, and experience are critical to the achievement of the objectives of this grant award.)

3.5 In consideration of the Grantee's full and satisfactory performance of the specified services, the Agency shall be liable to the Grantee in accordance with the terms and limitations established within the attachments to this grant award.

3.6 Except with respect to defaults of sub-contractors, no liability or loss of rights hereunder shall result to either party from delay or failure in performance (including any failure by the grantee to progress in the performance of the work) if such failure arises out of causes beyond the reasonable control and without the default or negligence of the party affected.

Such causes may include but are not limited to acts of God, acts of a public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, serious labor disputes, shortage of or inability to obtain material or equipment and unusually severe weather. In every case, however, the failure to perform must be beyond the control and without the fault or negligence of the party affected.

12.2 The Agency reserves the right to conduct, or cause to be conducted, an independent audit of all funds received by the Grantee under this grant award. Such an audit may be performed by the local government audit staff, a certified public accounting firm, or other auditors as designated by the Agency and must be conducted in accordance with applicable federal rules and regulations, grant award guidelines, and established professional standards and practices.

12.3 The Grantee understands that acceptance of funds under this grant award acts as acceptance of the authority of the State Auditor's Office, or any successor agency, to audit or investigate the expenditure of funds under this grant award or any subcontract. The Grantee further agrees to cooperate fully with the State Auditor's Office or its successor, including providing all records requested. The Grantee will ensure that this clause concerning the authority to audit funds received indirectly by subcontractors through the Grantee and the requirement to cooperate is included in any subcontract it awards.

13.1.1 To initiate the process, the Grantee shall submit written notice to the Agency's contract manager. Said notice shall specifically include the information required by 40 TAC § 800.453, as well as other supporting documentation or other tangible evidence to facilitate the Agency's evaluation of the Grantee's claim.

13.1.2 Neither the execution of this grant award by the Agency nor any other conduct of any representative of the Agency relating to this grant award or the dispute resolution process described herein shall be considered a waiver of sovereign immunity to suit.

13.2 Neither the occurrence of an event nor the pendency of a claim constitute grounds for the suspension of performance by the Grantee, in whole or in part.

SECTION 14 - Sanctions and Penalties

14.1 The Grantee acknowledges and accepts that special conditions may be imposed by the Agency, and certain enforcement remedies exercised (set forth within OMB's UG), if the Grantee has been designated as a "high risk" grantee.

14.2 The Grantee acknowledges and accepts that failure of the Grantee to comply with any provision of this grant award, whether stated in a federal or state statute or regulation, Commission rules, an assurance, a certification, an application or Agency policies or procedures referenced in a grant award may subject the Grantee to sanctions and enforcement or remedial measures appropriate to the circumstances, including temporary withholding of cash payments, disallowance of costs, whole or partial suspension of the award, withholding of further awards, or other remedies that may be legally available.

14.3 The Grantee is an independent contractor and not an employee or agent of the Agency and as such indemnifies the Agency against all disallowed costs or other claims that may be asserted by any third party in connection with any training program or project funded subject to this grant award.

Any sanctions or penalties imposed under this grant may be appealed pursuant to Texas Government Code, Chapter 2260.

SECTION 16 - Changes and Amendments

- 16.1 This grant award, and all documents or subsequent agreements referenced herein, is the entire agreement between the parties. All oral or written agreements between the parties hereto relating to the subject matter of this grant award that were made prior to the execution of this grant award have been reduced to writing and are contained or referenced herein.
- 16.2 Any alterations, additions, or deletions to the terms of this grant award required by changes in federal or state law or by regulations are automatically incorporated into this grant award without written amendment hereto, and shall become effective on the date designated by such law or regulation.
- 16.3 To ensure effective performance under this grant award, all parties agree that the Agency may amend performance requirements during this grant period, to interpret or clarify a

change in federal or state law, rules, or regulations, by issuing formal directives to establish or clarify such performance requirements.

16.3.1 After a period of no less than thirty (30) days subsequent to written notice (unless more rapid implementation is required by law) such formal directives shall have the effect of qualifying the terms of this grant award and shall be binding upon the Grantee and the Agency as if written herein.

16.3.2 Such Agency directives shall not alter the terms of this grant award so as to relieve the Agency of any obligation specified in this grant award to reimburse the Grantee for costs properly incurred prior to the effective date of such formal directives.

16.4 The Agency may unilaterally amend this grant award for any of the following actions:

16.4.1 Modification of the number of apprentices to be served based on the Apprentice Information Form, or

16.4.2 Modification of the funding based on the standard calculations for contact hour rate as applied to all ATP contractors statewide.

Any other modifications to the grant may only be made by mutual written amendments as provided in Section 16 of this GTC.

16.5 Except as specifically provided by Sections 16.1, 16.2, 16.3, and 16.4 of this GTC, any additions, alterations, deletions, or extensions, to the terms of this grant award shall be by amendment hereto in writing and executed by all parties to this grant award except for budget line item changes which shall be processed pursuant to Section 1.7 of Attachment B of this grant award. Any other attempted changes, including oral modifications, written notices that have not been signed by all parties, or other modifications of any type, shall be invalid.

The Agency reserves the sole option to renew or extend this grant award after the initial period. Such renewal will be based upon a compliance review and the Agency's continuing need for the services. The Grantee may submit a written request that the Agency consider a

renewal or extension. Such written request must be received by the Agency no later than thirty (30) days prior to the expiration of this grant award.

SECTION 17 - Termination

- 17.1 This grant award may be terminated, in whole or in part, by the Agency whenever it determines that such termination is in its best interests.
- 17.2 When justified, either party may terminate this grant award for cause, pending completion of any reports or audits required by the Agency. Such termination shall be effective upon receipt of written notification of termination, provided no less than sixty (60) days in advance.

SECTION 18 - Property

- 18.1 The Grantee shall acquire, maintain, and/or dispose of property purchased with funds received under this grant award in accordance with OMB's UG, the UGMS, and/or the Agency's FMGC and directives specified by Agency issuances.
- 18.2 The Grantee shall submit a "Notification of Property Acquisition" form for purchases of production or proprietary equipment, if purchase of such equipment is an allowable cost under this grant prior to reimbursement by the Agency for the cost of such equipment.
- 18.3 The Grantee shall take all reasonable precautions to ensure all property acquired under this grant award is properly maintained, accounted for, and protected from damage, loss, unreasonable deterioration or theft.
- 18.4 Non-governmental subcontractors having property acquired under this grant award shall acquire and maintain property insurance reasonably sufficient to replace any damaged, lost, or stolen property, for as long as the property is kept.

- 18.5 Grantees that are governmental entities, or their subcontractors, having property acquired under this grant award may be required by the Agency to replace any damaged, lost, or stolen property from sources other than federal funds, if no property insurance is in effect.
- 18.6 The Grantee shall designate a Property Control Officer to be responsible for the inventory and control of all real property or non-expendable personal property purchased in whole or in part with funds received under this grant award and in the custody of the Grantee or its subcontractors.
- 18.7 The Property Control Officer shall submit an inventory of property purchased under this grant as part of the closeout process.
- 18.8 In the event of Grantee noncompliance with the terms of this grant award or failure to meet required outcomes of this grant award, the Agency reserves the right to transfer title to any equipment items purchased under this grant award from the Grantee to the Agency.
- 18.9 Equipment purchased under this grant award may be used in the funded program or project for as long as needed to complete the training.
- 18.10 When the equipment is no longer needed for either the original training program or project or other training program or project currently supported, disposition instructions shall be requested from the Agency Contract Manager.
