Texas Workforce Solutions comprises the Texas Workforce Commission, 28 local workforce development boards and our service-providing partners. Together we provide workforce education, training and support services, including vocational rehabilitation assistance for the people of Texas.

The Texas Workforce Commission’s (TWC) Criss Cole Rehabilitation Center (CCRC) was named in honor of Judge Criss Cole, who lost his sight while serving as a Marine during World War II. As a member of the Texas House of Representatives from 1955 to 1962 and the Texas Senate from 1963 to 1970, he was instrumental in improving services for all people with disabilities.
Criss Cole Rehabilitation Center is a state-of-the-art adult residential training facility located in the heart of Austin, the capital city of Texas. It is the largest vocational training facility in the United States.

**PHILOSOPHY**

Persons who are blind/deafblind have the right to actively participate in employment, community, and society.

Staff at Criss Cole Rehabilitation Center are committed to providing services in a manner that promotes integration of alternative skills into everyday life. We actively support and encourage customers as they strive to achieve competence and confidence in reaching their personal and vocational goals.
Criss Cole Rehabilitation Center provides training in skill areas including Orientation & Mobility, Daily Living Skills, Braille, Technology, Career Guidance, Industrial Arts, and Adjustment to Blindness.

Criss Cole Rehabilitation Center offers three distinct training paths for the customer to choose from Proficiency Training, Career Focus Training, and the Deafblind Training Program.

**Proficiency Training Program (PTP):**

- Offers individualized classes and seminars which develop skills and increase confidence
- Provides targeted customized training that supports student’s employment goals
Career Focus Training (CFT)

- Explore and refine career goals
- Develop employment lifestyle habits

- Practice employment skills, such as promoting oneself, filling out applications and interviewing

Five Customizable Tracks in CFT:

1. Competitive employment
2. Self-employment
3. Supported employment
4. College preparation
5. Business Enterprises of Texas

Deafblind Training Department

- Offers individualized classes for customers who have both vision and hearing loss
- Provides customized support/training for the customer to access
communication both at Criss Cole Rehabilitation Center and in the community

• Conducts assessments to determine recommendations for training programs

**Deafblind Department Objectives:**

The goal of the Deafblind Department is to provide individualized support, accommodations, and modifications for Deafblind/Hard-of-Hearing Blind CCRC students in classes and employment-readiness training. Students receive specifics on:

• Basic American Sign Language classes (ASL 1, 2)
• Communication strategies for hearing loss
• Hearing assistive technology
• Adjustment to deafblindness/hearing loss
• Deafblind resources

**OUTREACH:**

Criss Cole Rehabilitation Center also provides 3-5 day mini trainings to groups of customers in their local communities.

**Program Guidelines:**

To participate in CCRC programs and services, customers must: 1) be legally blind or meet the definition of deafblind, 2) be referred by a vocational rehabilitation counselor, 3) be independent with
administering medications and self-care and 4) have a permanent residence in Texas. For more information about Criss Cole Rehabilitation Center call 512-377-0300 or email ccrc.admissions@twc.state.tx.us
