Take Charge of Business at the Texas Business Conference in Corpus Christi

AUSTIN – The Texas Workforce Commission (TWC) invites Corpus Christi-area employers, human resource professionals, business owners and managers to attend the Texas Business Conference employment law update on April 8 at the Holiday Inn Downtown Marina. The conference will provide valuable information for employers and business owners concerning the legal issues associated with operating a business in Texas.

“I am looking forward to hosting a Texas Business Conference in my hometown,” said TWC Commissioner Representing Employers Ruth R. Hughs. “This conference is an invaluable opportunity for employers to learn current state and federal laws that directly affect businesses and their success.”

Employers will receive practical, up-to-date information for operating a successful business and techniques to more effectively manage employees. Seminar topics will include: Texas employment law and the basics of hiring; federal and Texas wage and hour laws; the unemployment claim and appeal process; independent contractors; and employee policy handbooks.

Participants will receive the latest edition of the popular publication, *Especially for Texas Employers*, which addresses basic legal issues regarding hiring, post-employment and work-separation policies. Certified public accountants who attend can earn six hours of continuing education credit and other conference participants may qualify for general professional credit.

The conference is from 8:30 a.m. to 4:30 p.m. at the Holiday Inn Downtown Marina, located at 707 N. Shoreline Blvd. in Corpus Christi. Attendees may check in from 7:30 a.m. to 8:30 a.m. The cost to attend is \$125 per person and is nonrefundable. Space is limited, so participants are encouraged to register as soon as possible. For more information, call 512-463-6389. Participants may register online or download a registration form at the [Texas Business Conference](#) webpage.
