Partnerships Overview

Individual District Opportunities

Next Steps and Additional Support

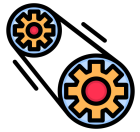

Support Early Matters Dallas Can Provide

- Identifying **quality accredited centers** or centers pursuing quality with the support of local partners

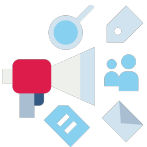

- Facilitate **meetings** with centers, joining tours, and providing opinions on readiness of center for partnership

- Provide **technical assistance support** in partnership model discussions with child care providers to identify which model makes the most sense for all parties

- Share **best practices** for partnership implementation for both districts and child care providers

- Support in **enrollment** and family awareness efforts through regional Pre-K Enrollment Campaign

- Support with **technical assistance during partnership implementation** to help with problem solving challenges as they arise

What next steps do you think your district will take and how can we help?
