

VENDORS & EXHIBITORS

This is your one chance this year to get together and present your products and services to a captive audience thousands of state and national workforce professionals, including members and staff of all 28 Local Workforce Development Boards, TWC industry cluster teams, contractors, economic development professionals, state and federal staff, and partners in the workforce system. In addition to the high visibility our exhibit hall provides, what's possibly even more important are the networking opportunities that this particular conference enables. Exhibits will be open through the majority of the conference and the exhibit hall will also feature refreshments for conference attendees during session breaks and an evening reception.
