Chapter 800. GENERAL ADMINISTRATION
Subchapter A. GENERAL PROVISIONS
40 TAC §800.2
The Texas Workforce Commission (Commission) proposes an amendment to Chapter 800. General Administration, §800.2 regarding the definition of Temporary Assistance for Needy Families (TANF).

The purpose of this amendment is to incorporate a reference to the TANF State Program as referenced in Texas Human Resources Code Chapter 34.

Randy Townsend, Chief Financial Officer, has determined that for each year of the first five years the rule will be in effect, the following statements will apply:

there are no additional estimated costs to the state and to local governments expected as a result of enforcing or administering the rule;
there are no estimated reductions in costs to the state and to local governments as a result of enforcing or administering the rule;
there are no estimated losses or increases in revenue to the state or to local governments as a result of enforcing or administering the rule;
there are no foreseeable implications relating to costs or revenue of the state or local governments as a result of enforcing or administering the rule; and
there are no anticipated economic costs to persons required to comply with the rules.

Mr. Townsend has also determined that there is no anticipated adverse impact on small businesses as a result of enforcing or administering the rule because small businesses are not regulated by the rule.

James Barnes, Director of Labor Market Information, has determined that there is no foreseeable negative impact upon employment conditions in this state as a result of the proposed amendment.

Luis Macias, Acting Director of Workforce Development, has determined that the public benefit anticipated as a result of the rules as proposed will be to clarify the definition of TANF.

Comments on the proposed rules may be submitted to John Moore, Assistant General Counsel, Texas Workforce Commission, 101 East 15th Street, Room 608, Austin, Texas 78778, (512) 463-3041.
