(B) Parents who are participating in SNAP E&T services or who are in SNAP E&T child care described in §809.47 of this chapter;

(C) Parents of a child receiving Child Care for Children Experiencing Homelessness as described in §809.52 of this chapter; or

(D) Parents who have children who are receiving protective services child care pursuant to §809.49 and §809.54(c) of this chapter, unless DFPS assesses the parent share of cost.

(3) Teen parents who are not covered under exemptions listed in paragraph (2) of this subsection shall be assessed a parent share of cost. The teen parent's share of cost is based solely on the teen parent's income and size of the teen's family as defined in §809.2 of this chapter.

(b) For child care services funded from sources other than those specified in subsection (a) of this section, a Board shall set a parent share of cost policy based on a sliding fee scale. The sliding fee scale may be the same as or different from the provisions contained in subsection (a) of this section.

(c) A Board shall establish a policy regarding reimbursement of providers when parents fail to pay the parent share of cost.

(d) A Board shall establish a policy regarding termination of child care services within a 12-month eligibility period when a parent fails to pay the parent share of cost. The Board's policy must include:

(1) a requirement to evaluate and document each family's financial situation for extenuating circumstances that may affect affordability of the assessed parent share of cost pursuant to paragraph (2) of this subsection, and a possible temporary reduction pursuant to subsection (g) of this section before the Board or its child care contractor may terminate care under this section;
(2) general criteria for determining affordability of a Board's parent share of cost, and a process to identify and assess the circumstances that may jeopardize a family's self-sufficiency under subsection (g) of this section;

(3) maintenance of a list of all terminations due to failure to pay the parent share of cost, including family size, income, family circumstances, and the reason for termination, for use when conducting evaluations of affordability, as required under paragraph (4) of this subsection; and

(4) the Board's definition of what constitutes frequent terminations and its process for assessing the general affordability of the Board's parent share of cost schedule, pursuant to subsection (e) of this section.

(e) A Board with frequent terminations of care for lack of payment of the parent share of cost must reexamine its sliding fee scale and adjust it to ensure that fees are not a barrier to assistance for families at certain income levels.

(f) A Board that does not have a policy to reimburse providers when parents fail to pay the parent share of cost may establish a policy to require the parent to pay the provider before the family can be redetermined eligible for future child care services.

(g) The Board or its child care contractor may review the assessed parent share of cost for a possible temporary reduction if there are extenuating circumstances that jeopardize a family's self-sufficiency. The Board or its child care contractor may temporarily reduce the assessed parent share of cost if warranted by these circumstances. Following the temporary reduction, the parent share of cost amount immediately prior to the reduction shall be reinstated.

(h) If the parent is not covered by an exemption as specified in subsection (a)(2) of this section, then the Board or its child care contractor shall not waive the assessed parent share of cost under any circumstances.

(i) If the parent share of cost, based on family income and family size, is calculated to be zero, then the Board or its child care contractor shall not charge the parent a minimum share of cost amount.

(j) A Board may establish a policy to reduce the parent share of cost amount assessed pursuant to subsection (a)(1)(B) of this section upon the parent's selection of a Texas Rising Star--certified provider. Such Board policy shall ensure:

(1) that the parent continue to receive the reduction if:

(A) the Texas Rising Star provider loses Texas Rising Star certification; or
(B) the parent moves or changes employment within the workforce area and no Texas Rising Star--certified providers are available to meet the needs of the parent's changed circumstances; and

(2) that the parent no longer receives the reduction if the parent voluntarily transfers the child from a Texas Rising Star--certified provider to a non-Texas Rising Star--certified provider.

(k) A Board may establish a policy to reduce the parent share of cost amount assessed pursuant to subsection (a)(1)(B) of this section upon the child's referral for part-time care. Such Board policy shall ensure that:

(1) the parent no longer receives the reduction if the referral is changed to full-time care; and

(2) a parent who qualifies for a reduction in parent share of cost for both selecting a Texas Rising Star--certified provider (as defined in subsection (j) of this section) and a child's part-time care referral will receive the greater of the two discounts.

§809.20. Maximum Provider Reimbursement Rates.

(a) Based on local factors, including a market rate survey provided by the Commission, a Board shall establish maximum reimbursement rates for child care subsidies at or above a level established by the Commission to ensure that the rates provide equal access to child care in the local market and in a manner consistent with state and federal statutes and regulations governing child care. At a minimum, Boards shall establish reimbursement rates for full-day and part-day units of service, as described in §809.93(f), for the following:

(1) Provider types:

(A) Licensed child care centers, including before- or after-school programs and school-age programs, as defined by CCL;

(B) Licensed child care homes as defined by CCL;

(C) Registered child care homes as defined by CCL; and
(D) Relative child care providers as defined in §809.2.

(2) Age groups in each provider type:

(A) Infants age 0 to 17 months;

(B) Toddlers age 18 to 35 months;

(C) Preschool age children from 36 to 71 months; and

(D) School-age children 72 months and older.

(c) The minimum enhanced reimbursement rates established under subsection (b) of this section shall be greater than the maximum rate established for providers not meeting the requirements of subsection (b) of this section for the same category of care up to, but not to exceed, the provider's published rate. The maximum rate must be at least:

(1) 5 percent greater for a:

(A) 2-Star Program Provider; or

(B) child care provider meeting the requirements of subsection (b)(2) of this section;

(2) 7 percent greater for a 3-Star Program Provider; and

(3) 9 percent greater for a 4-Star Program Provider.

(d) Boards may establish a higher enhanced reimbursement rate than those specified in subsection (c) of this section for TRS providers, as long as there is a minimum 2 percentage point difference between each star level.

(e) A Board or its child care contractor shall ensure that providers that are reimbursed for additional staff or equipment needed to assist in the care of a child with disabilities are paid a rate up to 190 percent of the provider's reimbursement rate for a child of that same age. The higher rate shall take into consideration the estimated cost of the additional staff or equipment needed by a child with disabilities. The Board shall ensure that a professional, who is familiar with assessing the needs of
children with disabilities, certifies the need for the higher reimbursement rate described in this subsection.

(f) The Board shall determine whether to reimburse providers that offer transportation as long as the combined total of the provider's published rate, plus the transportation rate, is subject to the maximum reimbursement rate established in subsection (a) of this section.

(a) The actual reimbursement that the Board or the Board's child care contractor pays to the provider shall be the Board's maximum daily rate or the provider's published daily rate, whichever is lower, less the following amounts:

(1) The parent share of cost assessed and adjusted when the parent share of cost is reduced; and

(2) Any child care funds received by the parent from other public or private entities.

(1) Parents shall ensure that the eligible child attends on a regular basis consistent with the child's authorization for enrollment and attendance standards described in paragraph (2) of this subsection. Failure to meet attendance standards described in paragraph (2) of this subsection may result in termination for the child due to excessive unexplained absences pursuant to subsection (d) of this section.

(2) Meeting attendance standards for child care services consists of no more than 40 total unexplained absences in a 12-month eligibility period.

(3) Unexplained absences may include:

(A) Any absence that is not due to a child's documented chronic illness or disability, or to a court-ordered custody or visitation agreement;

(B) Any missed attendance recording that cannot be explained, except if the attendance reporting system is not available through no fault of the parent or provider; or

(C) Any denied or rejected attendance recording in which the parent does not contact the Agency's Child Care Services unit to report the issue.

(10) Parents shall report to the child care contractor instances in which a parent's attempt to record attendance in the child care automated attendance system is denied or rejected and cannot be corrected at the provider site. Failure to report such instances may result in an unexplained absence counted toward the attendance standards described in paragraphs (2) and (3) of this subsection.

(b) Boards shall ensure that parents sign a written acknowledgment indicating their understanding of the attendance standards and reporting requirements at each of the following stages:

(1) initial eligibility determination; and

(2) each eligibility redetermination, as required in §809.42(b).

(c) Boards shall ensure that absences due to a child's documented chronic illness or disability or court-ordered visitation are not counted in the number of unexplained absences in subsection (a)(2) and (3) of this section.

(d) Boards shall ensure that before terminating care pursuant to §809.78(a)(1), the child care contractor:

(1) provides written notice to the parent and the child care provider at reasonable times through established communication channels of the child's absences and the potential termination of services, at a minimum when a child reaches 15, and 30 general absences cumulatively within a 12-month eligibility period; and
documents that multiple attempts were made, as described in paragraph (1) of this subsection, to determine why the child is absent and to explain the importance of regular attendance.

(e) Where a child's enrollment has been ended by a provider in subsection (a)(4) of this section, Boards shall work with the parent to place the otherwise eligible child with another eligible provider.

(f) Boards shall ensure that subsidies are not paid for a child at the following child care providers:

(g) Regulated child care providers, except those operated and monitored by the US military, must meet Pre-Star provider designation unless exempted under requirements of subsection (h)(3) of this section.

(h) Pre-Star provider designations and exemptions are defined in the Commission-approved CCDF State Plan and include:
