

# Introducing Flat CAT

## (Commissioner **Alberto Treviño**)

#TreviñoAcrossTX

I can't be everywhere – all the time but Flat CAT can be there! Announcing Flat CAT travels across Texas and I hope you will help me out!

I am currently traveling across Texas to visit each of the 28 Workforce Solutions Board Areas and meet with staff, board members and partners who serve our fellow Texans. I get to hear about and see the wonderful programs and services that build community and prepare a skilled workforce. So much is happening, and I want to be part of it.

### Flat CAT Instructions

When I'm not available to be at one of your events or participate in a program, Flat CAT can.

1. Take pictures with Flat CAT at your Workforce Solutions offices, trainings, graduations, classes, summer programs, special events, etc.
2. Post pictures to LinkedIn, Facebook and Twitter with a description.
3. Use the hashtag **#TreviñoAcrossTX** and any other specific hashtags.
4. Tag **Commissioner Alberto Treviño III**, your **Workforce Solutions** and anyone in the pictures.

Be creative! The sky is the limit. I look forward to seeing Flat CAT across the state and you might even see your pictures and posts in November at the TWC Annual Conference.
