Pursuant to OMB Uniform Guidance (2 CFR Part 200) provisions at 2 CFR §§200.101(b)(2) and 200.332(a)(2), the Special Federal Award Terms and Conditions for Child Care and Development Fund Grants pass through terms and conditions specific to the federal award, which are not set forth elsewhere in this TWC grant award. These grant funds awarded by TWC must be used in compliance with the following federal terms and conditions, in addition to the other provisions of this TWC grant award.

Effective December 2014, the US Department of Health and Human Services (HHS) specific implementing regulations of Uniform Administrative Requirements, Cost Principles, and Audit Regulations for HHS Awards is codified at 45 CFR Part 75. Unless otherwise stated, grantees must refer to HHS-specific language in 45 CFR Part 75 rather than 2 CFR Part 200.

1. Federal Award Terms and Applicable Legislation, Statute, and Regulations

The Special Federal Award Terms and Conditions contained herein are based on the US Department of Health and Human Services (HHS) Administration for Children and Families (ACF) General Terms and Conditions for Mandatory Formula, Block and Entitlement Grant Programs July 26, 2021 Version of the Program Specific Terms and Conditions for Child Care and Development Fund Grants to State and Territory Grantees, which are the versions currently used by ACF, and the Supplemental Terms and Conditions applicable to the Supplemental Funds under the Coronavirus Response and Relief Supplemental Appropriations Act

(CRRSA) and the American Rescue Plan Act (ARPA).

The administration of this program is subject to:

- statutory requirements of the Consolidated Appropriations Act, 2021, the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (Pub. L. 116-260), and the American Rescue Plan Act, 2021 (Pub. L. 117-2);
- Child Care and Development Block Grant (CDGGB) Act at 42 USC § 9857, et. seq., as amended, and related regulations at 45 CFR Parts 98 and 99; and
- provisions of the current approved CCDF State, Territory, or Tribal Plan, as applicable, including all approved amendments or revisions.

As noted in the Information Memorandum on CCDF supplemental funds available under CRRSA and ARPA, these funds are subject to all CCDF discretionary requirements, except as noted.

2. Federal Participation

Funds for this program are awarded with a 100 percent Federal Financial Participation rate for program costs, so there is no non-federal cost share required for this program.

3. Matching

These grant funds may not be used to meet the matching requirements of other Federal grant programs.

4. Salary Limitation

Pursuant to the Consolidated Appropriations Act, 2017 (Pub. L. 115-31), enacted May 5, 2017, Grant Award funds issued under this grant must not be used to pay the salary of an individual at a rate in excess of Federal Executive Level II. The Federal Executive Level II salary can be found in the Salaries & Wages tables on the US Office of Personnel Management website at <https://www.opm.gov>. This amount reflects an individual's base salary exclusive of fringe and any income that an individual may be permitted to earn outside of the duties to organization.

This salary limitation also applies to subawards, contracts, and subcontracts.

5. Federal Funding Disclosure Statement (Requirement to Provide Certain Information in Public Communications)

This TWC grant award must be used in compliance with Section 505 of Public Law 115-31, the Consolidated Appropriations Act of 2017, which reads: "When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all recipients receiving Federal funds, including in this Act, including but not limited to State and local governments and recipients of Federal research grants, shall clearly state:

Federal programs include grants, cooperative agreements, loans and loan guarantees, subawards, and contracts. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and any portions of facilities used for inpatient drug or alcohol treatment. The language above must be included in any subawards that contain provisions for children's services and that all subawards shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1,000 per day.

Any sanctions or penalties imposed under this grant may be appealed pursuant to Texas Government Code, Chapter 2260.

SECTION 15 - Changes and Amendments

15.1 This grant award, and all documents or subsequent agreements referenced herein, is the entire agreement between the parties. Description: CCDF Discretionary

Agency: Department of Health and Human Services - Administration for Children and Families
Assistance Listings Description (formerly CFDA Description): 93.575 - The Child Care and Development Fund (CCDF) is the primary federal funding source to help certain low-income families access child care and to improve the quality of child care for all children. As a block grant, CCDF gives funding to States, Territories, and Tribes to provide child care subsidies primarily through vouchers or certificates to low-income families. In addition, CCDF funds are used to improve the quality of child care for both subsidized and unsubsidized children. CCDF consists of both Discretionary funding authorized by the Child Care and Development Block Grant (CCDBG) Act and Mandatory and Matching funding under the Social Security Act. The CCDBG was created by the Omnibus Budget Reconciliation Act of 1990 (P.L. 101-508) and is subject to annual appropriations. The Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996 (P.L. 104-193) consolidated funding for child care under the Social Security Act, where CCDF mandatory and matching funding is authorized, and made such funding generally subject to the requirements of the CCDBG Act. The Child Care and Development Block Grant Act of 2014 (P.L. 113-186) reauthorized the discretionary portion of CCDF through FY 2020 and made significant changes to improve the health, safety, and quality of child care and provide more continuous child care assistance to low-income children and families. In addition to the block grants to States, Territories and Tribes, a small portion of the CCDF is used by the Office of Child Care to provide technical assistance to grantees on administering the program. A small portion of CCDF is also used for child care research, demonstration and evaluation activities. The Discretionary portion of the CCDF funds provides about \$7.9 billion in federal funding per year for child care. Additional funding is provided by state matching and maintenance of effort funds, as well as funds transferred from the Temporary Assistance for Needy Families (TANF) program. Requirements for competitive grants including research grants vary and can be found in the Notice of Funding Opportunities (NOFOs). There was an increase in mandatory and matching funding for CCDF, which is a permanent annual appropriation and is detailed in Assistance Listing 93.596.
