3: The FY2024 funding distribution for the smallest workforce areas is allocated pursuant to TWC Rules [§800.51(f)(5)]. A workforce area funding level aggregated for each of WIOA, TANF Choices, SNAP E&T, and Employment Services should not be lower than an average of 20 percent of workforce areas (i.e., 6 LWDA's) that comprise the smallest allocations among all workforce areas. The prior year's remaining Rapid Response balances will be used to fund the FY2024 WIOA Small Board Funding distribution.

1: For workforce areas with multiple service providers, the total funding available is determined based on the demographic factors for each county including an equal base amount.

2: Combined AEL Allocation includes all AEL funds, except for AEL Performance Based Funding and English Literacy and Civics Education. The funding percentages for AEL Federal (79.49%), AEL State Match (12.74%), and AEL TANF (7.77%) have been established at a similar level for each county and provider to allow all AEL service providers to use a more streamlined approach in expending AEL funds.

3: AEL Performance Based Funding includes administrative costs.
