3 4 5	EMERGENCY RULES WITH PREAMBLE TO BE SUBMITTED TO THE <i>TEXAS REGISTER</i> . THIS DOCUMENT WILL HAVE NO SUBSTANTIVE CHANGES BUT IS SUBJECT TO FORMATTING CHANGES AS REQUIRED BY THE <i>TEXAS REGISTER</i> .
6 7 8 9 10	ON APRIL 28, 2020 , THE TEXAS WORKFORCE COMMISSION ADOPTED THE EMERGENCY RULES BELOW WITH PREAMBLE AND SUBMITTED THEM TO THE <i>TEXAS REGISTER</i> .
10 11 12 13	The rules are effective: April 28, 2020 Estimated date of publication in the <i>Texas Register</i> : May 15, 2020
14 15 16	TWC adopts on an emergency basis amendments to the following sections of Chapter 815, relating to Unemployment Insurance:
17 18 19	Subchapter A. General Provisions, §815.1 Subchapter F. Extended Benefits, §§815.170 - 815.172, and 815.174
20 21 22	TWC adopts the repeal of the following section of Chapter 815, relating to Unemployment Insurance, on an emergency basis:
23 24 25 26	Subchapter F. Extended Benefits, §815.173 PART I. PURPOSE, BACKGROUND, AND AUTHORITY PART II. EXPLANATION OF INDIVIDUAL PROVISIONS
27 28	PART I. PURPOSE, BACKGROUND, AND AUTHORITY
29 30 31 32 33	The Texas Workforce Commission (TWC) adopts these rules on an emergency basis in accordance with the Families First Coronavirus Response Act, Public Law (P.L.) 116 - 127, specifically Division D, the Emergency Unemployment Insurance Stabilization and Access Act of 2020 (EUISAA), enacted March 18, 2020, and Texas Labor Code §208.001(b) and §209.205.
34 35 36 37	EUISAA provides states with emergency funding grants for the administration of their unemployment compensation (UC) programs. The purpose of these grants is to assist states with the unprecedented claim volumes associated with COVID-19.
38 39 40 41 42 43 44	These grants are allocated into two separate allotments, Allotment I and II. Each allotment contains its own requirements to be fulfilled by each state. States may apply for either or both of these grants; TWC anticipates obtaining both. EUISAA requires the U.S. Department of Labor (USDOL) to transfer the grant funds to states meeting the Allotment I requirements no later than 60 days after enactment. USDOL has determined this deadline to be May 15, 2020. To meet this requirement, USDOL has determined states must submit their request for the first allotment by May 8, 2020.

Under EUISAA §4105, if a state meets the requirements of and obtains both Allotment I and II, the Federal Government will pay 100 percent of any Extended Benefits (EB), beginning on March 18, 2020 until December 31, 2020, including the first week of EB.

1 2

One of the requirements of Allotment I under EUISAA §4102(a) is that "the State requires employers to provide notification of the availability of unemployment compensation to employees at the time of separation from employment." USDOL has stated that this notice must be individually made to the separated employee.

TWC has the authority under Texas Labor Code §208.001(b) to require this individual notice. Section 208.001(b) provides that "The commission shall supply, without cost to each employer, printed notices that provide general information about filing a claim for unemployment benefits. Each employer shall post and maintain the notices in places accessible to the individuals in the employ of the employer." To clarify how this notice must be provided, TWC has determined it prudent to amend its rules to define "places accessible" to include general notice in the workplace and an individual notice upon separation.

As TWC anticipates obtaining both Allotment I and II grant funds, this will provide for 100 percent federally funded EB. Texas Labor Code §209.025 provides that "Notwithstanding any other provision of this subchapter, the commission by rule may adjust the extended benefit eligibility period as necessary to maximize the receipt of any fully funded federal extended unemployment benefits, if full federal funding for those benefits is available."

Currently, Texas Labor Code, Chapter 209, provides for an Insured Unemployment Rate (IUR) trigger for EB, with benefit eligibility lasting a maximum of 13 weeks. Federal law, however, provides for an alternate trigger, the Total Unemployment Rate (TUR) trigger. The TUR trigger also provides that in periods of high unemployment, an additional seven weeks of EB benefit eligibility is available.

In order to fully maximize the receipt of fully funded federal EB anticipated by §209.025, TWC must implement the optional TUR trigger with the high unemployment rate period. To ensure that TWC maximizes the federal funding, a provision is being added to allow for additional weeks of benefit eligibility, in excess of the current seven, if provided for by federal law. Other provisions addressing coordination of benefit programs and the treatment of certain governmental and tribal employers are also addressed.

The Commission must take immediate action in order to allow for the continued payment of unemployed individuals who exhaust their regular and emergency unemployment benefits. The deadline for meeting the requirements of Allotment I is May 8, 2020. During this period of high, sustained unemployment, the 100 percent federally shared EB are vital to out-of-work Texans who are struggling to pay their bills. These benefits also serve as a much-needed stabilizing factor in local economies. Therefore, the Commission finds that imminent peril to the public welfare requires adoption of rules without 30 days' notice in the *Texas Register*. On the same basis, the Commission also finds that imminent peril to the public welfare requires adoption of rules with an expedited effective date that is effective immediately on filing with the Secretary of

State, so that these rules can be implemented immediately under the emergency rulemaking provisions of Texas Government Code §2001.034 and §2001.036.
