26 27 28	TWC adopts the repeal of the following sections of Chapter 858, relating to Vocational Rehabilitation Services Contract Management Requirement, <i>without</i> changes, as published in the February 21, 2020, issue of the <i>Texas Register</i> (45 TexReg 1202):				
29 30 31	§§858.1, 858.2, 858.5, and 858.6				
32 33 34	PART I.PURPOSE, BACKGROUND, AND AUTHORITYPART II.EXPLANATION OF INDIVIDUAL PROVISIONS				
35	PART I. PURPOSE, BACKGROUND, AND AUTHORITY				
36 37	The purpose of the adopted Chapter 858 rule change is to align the chapter with TWC's operation of the Vocational Rehabilitation (VR) services program. Texas Labor Code §351.002 transferred				
38 39	the administration of VR services from the Texas Department of Assistive and Rehabilitative Services (DARS) to TWC, effective September 1, 2016.				
40 41 42 43 44 45 46	To ensure continuity and avoid any impact on customers, the administrative rules shared by all DARS programs were duplicated into Chapters 850, 857, and 858 of TWC's rules upon transfer of the programs. Because the rules established DARS' administrative framework and served all DARS programs, they overlap certain existing TWC administrative rules and contain references to programs that were not transferred to TWC.				
40					

- 1 To streamline TWC rules and accurately reflect TWC's program administration, several amendments
- 2 are needed to integrate and align overlapping sections and update outdated terms and procedures to
- 3 align with TWC's current program operation. This will help to ensure the health and safety of VR
- 4 customers, as well as help to ensure that Texans receive the best value for the expenditure of
- 5 available public funds for VR services.
- 6
- 7 In keeping with the goal of protecting the health and safety of VR customers and ensuring that
- 8 Texas receives the best value for the expenditure of available public funds for VR services, TWC
- 9 understands that the VR services program is a recognized health and human services entity and
- 10 the express authority for procuring goods and services through a noncompetitive process,
- 11 referred to as an enrollment contract, transferred to TWC with the VR services function. The
- 12 definition of an enrollment contract is found in Texas Administrative Code (TAC) 1 TAC
- 13 §391.103(8).
- 14

15 **PART II. EXPLANATION OF INDIVIDUAL PROVISIONS**

- 16 (Note: Minor editorial changes are made that do not change the meaning of the rules and,

- 18

- 33 actions occurring after the effective date of these rules. Additionally, language has been updated
- 34 for clarity and consistency with existing contract language and to reflect TWC's current
- 35 operation of the VR services program.
- 36

37 §858.12. Causes and Results of Suspension

- 38 Section 858.12(b) is amended to update terminology and to clarify the possible results of
- 39 suspension. Additionally, language has been updated to reflect TWC's current operation of the
- 40 VR services program.
- 41

42 §858.13. Evidence for Debarment

- 43 Section 858.13 is amended to update terminology to reflect TWC's current operation of the VR
- 44 services program.

- 7 Section 858.15(b) is amended to update terminology and to clarify that a notice of adverse action
- 8 rendered by TWC is final for all purposes unless the contractor files an appeal not later than 28
- 9 calendar days after the date the initial adverse action is sent to the contractor. Additionally,
- 10 language has been added giving TWC the discretion to grant a contractor's request for an
- 11 extension of the period in which to file a notice of appeal of an adverse action upon showing of
