| 46          | PART III. IMPACT STATEMENTS  |
|             | A LARLA AND AND LEVE WALLEDWIND LAW  |

Chris Nelson, Chief Financial Officer, has determined that for each year of the first five years the rules will be in effect, the following statements will apply:

2 3 4

1

There are no additional estimated costs to the state and to local governments expected as a result of enforcing or administering the rules.

5 6 7

There are no estimated cost reductions to the state and to local governments as a result of enforcing or administering the rules.

8 9 10

There are no estimated losses or increases in revenue to the state or to local governments as a result of enforcing or administering the rules.

11 12 13

There are no foreseeable implications relating to costs or revenue of the state or local governments as a result of enforcing or administering the rules.

14 15 16

There are no anticipated economic costs to individuals required to comply with the rules.

17 18

There is no anticipated adverse economic impact on small businesses, microbusinesses, or rural communities as a result of enforcing or administering the rules.

19 20 21

22

23

Based on the analyses required by Texas Government Code §2001.024, TWC has determined that the requirement to repeal or amend a rule, as required by Texas Government Code §2001.0045, does not apply to this rulemaking.

## Takings Impact Assessment

- Under Texas Government Code §2007.002(5), "taking" means a governmental action that affects private real property, in whole or in part or temporarily or permanently, in a manner that requires
- 28 the governmental entity to compensate the private real property owner as provided by the Fifth
- and Fourteenth Amendments to the US Constitution or the Texas Constitution, §17 or §19,
- 30 Article I, or restricts or limits the owner's right to the property that would otherwise exist in the
- 31 absence of the governmental action, and is the producing cause of a reduction of at least 25
- 32 percent in the market value of the affected private real property, determined by comparing the
- market value of the property as if the governmental action is not in effect and the market value of
- 34 the property determined as if the governmental action is in effect. TWC completed a Takings
- 35 Impact Assessment for the proposed rulemaking action under Texas Government Code
- 36 §2007.043. The primary purpose of this proposed rulemaking action, as discussed elsewhere in
- 37 this preamble, is to address changes in Texas Government Code §2308.256(a) and (g) as a result
- of the passage of HB 1615 by the 88th Texas Legislature, Regular Session (2023). Regarding
- Board composition, the bill adds the requirement that a Board must have at least one representative from the child-care workforce.

41

- The proposed rulemaking action will not create any additional burden on private real property or
- affect private real property in a manner that would require compensation to private real property owners under the US Constitution or the Texas Constitution. The proposal also will not affect
- 45 private real property in a manner that restricts or limits an owner's right to the property that

would otherwise exist in the absence of the governmental action. Therefore, the proposed rulemaking will not cause a taking under Texas Government Code Chapter 2007.

# Government Growth Impact Statement

- 5 TWC has determined that during the first five years the rules will be in effect, they:
- 6 -- will not create or eliminate a government program;
- 7 -- will not require the creation or elimination of employee positions;
- 8 -- will not require an increase or decrease in future legislative appropriations to TWC;
- 9 -- will not require an increase or decrease in fees paid to TWC;
- 10 -- will not create a new regulation;
- -- will not expand, limit, or eliminate an existing regulation;
- 12 -- will not change the number of individuals subject to the rules; and
  - -- will not positively or adversely affect the state's economy.

13 14 15

### Economic Impact Statement and Regulatory Flexibility Analysis

- 16 TWC has determined that the rules will not have an adverse economic impact on small
- businesses or rural communities, as the proposed rules place no requirements on small businesses

18 or rural communities.

19 20

Mariana Vega, Director, Labor Market Information, has determined that there is not a significant negative impact upon employment conditions in the state as a result of the rules.

212223

24

25

26

Courtney Arbour, Director, Workforce Development Division, has determined that for each year of the first five years the rules are in effect, the public benefit anticipated as a result of enforcing the proposed rules will be to expand Board membership to ensure that Boards have adequate representation from the child care workforce and that such child care representatives are able to influence local policymaking.

27 28 29

TWC hereby certifies that the proposal has been reviewed by legal counsel and found to be within TWC's legal authority to adopt.

#### PART VI. STATUTORY AUTHORITY

- 43 The rules are proposed under the specific authority of House Bill 1615, 88th Texas Legislature,
- Regular Session (2023), which amended Texas Government Code §2308.256 to require that
- 45 Boards include a representative of the child care workforce.

46

- 1 The rules are proposed under the general authority of Texas Labor Code §301.0015 and
- 2 §302.002(d), which provide TWC with the authority to adopt, amend, or repeal such rules as it
- deems necessary for the effective administration of TWC services and activities.
