24 25 26 27 28 29 20	PART I. PART II. PART III. PART IV.	PURPOSE, BACKGROUND, AND AUTHORITY EXPLANATION OF INDIVIDUAL PROVISIONS IMPACT STATEMENTS COORDINATION ACTIVITIES
30 31 32 33		URPOSE, BACKGROUND, AND AUTHORITY ission proposes to amend Child Care Services rules, Chapter 809, to address:
34 35 36 37	Texas Scho child care	vely mandated increase in reimbursement rates for child care providers that obtain ol Ready! TM certification (TSRC) or meet the Texas Rising Star Provider criteria; for a parent's extended temporary medical incapacitation or temporary cessation of ation, or training; and
38 39 40 41	continued program's c	l eligibility for wraparound child carei.e., care provided before and after a child care lesignated hoursfor children who are receiving Commission-funded child care and l in Head Start, public prekindergarten (pre-K), or a school-readiness integration
42 43 44 45	The Comm Chapter 80	ission also proposes to make several technical corrections and clarifications to 9 by:
46	changing	incorrect citations;

- --using common phrases and language throughout the rules; and 1 2 --providing clarifying language that aligns the rules with Commission intent and current practice. 3 4 PART II. EXPLANATION OF INDIVIDUAL PROVISIONS 5 (Note: Minor editorial changes are made that do not change the meaning of the rules and, 6 7 therefore, are not discussed in the Explanation of Individual Provisions.) 8 SUBCHAPTER B. GENERAL MANAGEMENT 9 10 The Commission proposes the following amendments to Subchapter B: 11 **§809.13.** Board Policies for Child Care Services 12 Section 809.13, relating to Local Workforce Development Board (Board) policies for child care 13 services, requires Boards to: 14 --conduct fraud fact-finding; and 15 --establish policies regarding personal responsibility agreement (PRA) sanctions. 16 17 Section 809.13(d)(7) changes the reference from §§809.48, 809.50, and 809.51 to §809.48 and 18 §809.50 to reflect the correct provisions setting forth the minimum activity requirements for 19 20 parents. 21 22 Section 809.13(d)(11) changes the reference from \$809.71(b)(2) to \$809.71(3) to reflect the 23 correct provision for transferring a child from one provider to another. 24 25 Section 809.13(d)(13) changes the reference from \$809.92(b)(3) to \$809.92(b)(4) to reflect the 26 correct provision for attendance standards and procedures. 27 Section 809.13(d)(15) is amended to clarify that Boards are required to develop procedures for 28 fraud fact-finding--not to investigate fraud--by replacing the term "investigating" with the term 29 "fact-finding" to reflect the language used in §809.111. This change also aligns with current 30 practices and principles from the January 2007 rule amendment, which states that it is the 31 Commission's responsibility--not the Boards' responsibility--to determine if a person has 32 33 committed fraud, and it is the Boards' role to research facts, not to investigate whether fraud has occurred. This policy is contained in WD Letter 59-06, Change 1, issued February 2, 2007, and 34 entitled "Requirements for Reporting, Fact-Finding, and Prosecution of Fraud, Waste, Theft, and 35 36 Program Abuse Cases, and Collection of Overpayments: Update." 37 New \$809.13(d)(16) requires Boards to establish policies regarding sanctions imposed when a 38 39 parent fails to comply with the provisions of the PRA as referenced in §809.76(c). Because a Board has the flexibility to terminate child care when a parent fails to comply with the provisions 40 41 of the PRA, this sanction policy could affect the provision of workforce services and, therefore, 42 as required by Commission rule §801.51(f) and as detailed in WD Letter 10-07, issued February 43 2, 2007, and entitled "Adoption of Local Workforce Development Board Policies in Open Meetings," Board members must adopt such policies in an open meeting. 44
- 45

- 1 New §809.13(d)(17) requires Boards to establish a policy concerning continued child care for
- 2 children enrolled in Head Start, Early Head Start, or a public pre-K program as provided in
- 3 §809.50(g). The decision to allow continued child care for children enrolled in early education
- 4 programs is left with the Boards based on local workforce needs and circumstances. To facilitate
- 5 local public input regarding this decision, Board members must adopt such policies in an open
- 6 meeting as required by Commission rule §801.51(f) and as detailed in WD Letter 10-07.
- 7

8 §809.19. Assessing the Parent Share of Cost

- 9 Section 809.19(a)(2)(C) is amended to allow parents who have children receiving protective
- 10 services child care pursuant to \$809.49 and \$809.54(c)(1), to be exempt from the parent share of
- 11 cost--unless the Texas Department of Family and Protective Services (DFPS) authorizes a parent
- 12 share of cost.
- 13
- 14 This subparagraph clarifies that a parent's exemption from the parent share of cost is applicable
- 15 when a child's eligibility for child care is determined by DFPS for a child currently or formerly
- 16 receiving protective services. The exemption from the parent share of cost applies to children
- 17 receiving DFPS protective services as well as children formerly receiving protective services for
- 18 whom DFPS has determined that child care is integral to that service need as provided by
- 19 §809.54(c)(1). The current rule language does not specify that a parent of a child who formerly
- 20 received protective services is exempt, but it is current practice and the intent of the
- 21 Commission.
- 22

23 §809.20. Maximum Provider Reimbursement Rates

- 24 Section 809.20(b) replaces the term "graduated" reimbursement rates with the term "enhanced"
- 25 reimbursement rates to describe the minimum five percent increase in rates for certain providers.
- 26 The term enhanced is intended to mean higher. Enhanced rates may also be graduated, but this is
- 27 not a requirement. Use of the term enhanced aligns with language used in Article IX, §19.111 of
- the General Appropriations Act, 80th Texas Legislature, Regular Session (2007), which requires
- the enhancement of reimbursement rates for child care providers that obtain certification under
- 30 the TSRC system or meet Texas Rising Star Provider criteria.
- 31
- New §809.20(b)(3) requires Boards to establish enhanced reimbursement rates for child care
- 33 providers that obtain certification under the TSRC system. This new paragraph implements the
- direction of the Texas Legislature as provided in Article IX, §19.111 of the General
- 35 Appropriations Act, 80th Texas Legislature, Regular Session (2007).
- 36
- 37 The Commission emphasizes that although Boards must establish enhanced reimbursement rates
- 38 for infants, toddlers, and preschool children attending a certified Texas School Ready!TM facility,
- 39 Boards have the flexibility to establish enhanced reimbursement rates for school-age children
- 40 enrolled in such facilities.
- 41
- 42 However, an enhanced reimbursement rate must be applied to all age groups and classrooms for
- 43 Texas Rising Star Providers and child care providers participating in a Texas Early Education
- 44 Model (TEEM) school readiness integration project developed by the State Center for Early
- 45 Childhood Development at the University of Texas Health Science Center (State Center).

- School-age children or other TWC-subsidized children in the TEEM facility are not excluded 1 from the enhanced reimbursement rates. 2 3 4 SUBCHAPTER C. ELIGIBILITY FOR CHILD CARE SERVICES The Commission proposes the following amendments to Subchapter C: 5 6 §809.43. Priority for Child Care Services 7 Section 809.43(a)(2)(B) clarifies that a child is included in the second priority group if the parent 8 is a qualified veteran "or qualified spouse." The phrase "or qualified spouse" is added to align 9 with the definition in §801.23 of the Commission's Local Workforce Development Boards rules. 10 11 **§809.44.** Calculating Family Income 12 Section 809.44 clarifies that income sources listed are used for determining both eligibility and 13 parent share of cost. The section also states that family income does not include any income 14 sources specifically excluded by federal law or regulation. 15 16 17 Section 809.44(a) adds the phrase "and the parent share of cost" to make the list of income items also applicable to determining parent share of cost. This change aligns with Boards' 18 longstanding practice of using the income inclusions and exclusions both for determining 19 20 eligibility and for determining parent share of cost. 21 22 New §809.44(b)(11) adds a comprehensive exclusion to cover any income sources specifically excluded by federal law or regulation. Allowing a comprehensive exclusion for family income 23 sources that are specifically excluded by federal law or regulation forgoes the need for a 24 Commission rule change any time federal legislation or regulation is amended to exclude a 25 specific income source from being counted toward eligibility for a federally funded program. 26 27 §809.46. Temporary Assistance for Needy Families Applicant Child Care 28 Section 809.46(c) changes the reference from §§809.50 - 809.52 to §809.50 resulting from the 29 repeal of §§809.50 - 809.52 and the proposal of new §809.50. 30 31 Section 809.46(e) changes the reference from §§809.50 - 809.52 to §809.50 resulting from the 32 33 repeal of §§809.50 - 809.52 and the proposal of new §809.50. 34 §809.48. Transitional Child Care 35 Section 809.48 is amended to incorporate the allowable reduction of work and education 36 37 requirements for At-Risk child care into Transitional child care. 38 39 Section 809.48(b) replaces the phrase "children in families at risk of becoming dependent on public assistance" with "At-Risk child care" as set forth in new §809.50. 40 41 42 43 New §809.48(f) allows a Board to reduce the work, education, and job training activity requirements if a parent's documented medical disability or need to care for a physically or 44 mentally disabled family member prevents the parent from participating in the activities for the 45
- 46 required hours per week.

4

- 1
- 2 New §809.48(g) specifies the education credit-hour equivalences for meeting the required
- 3 education activity hours per week, specifically:
- 4 -- \$809.48(g)(1) states that each credit hour of postsecondary education counts as three hours of
- 5 education activity per week; and
- 6 -- \$809.48(g)(2) states that each credit hour of a condensed postsecondary education course
- 7 counts as six hours of education activity per week.
- 8

9 §809.50. Child Care for Children Living at Low Incomes

- 10 Section 809.50 is repealed and the common provisions of §§809.50 809.52 are consolidated
- 11 into new §809.50, At-Risk Child Care.
- 12

13 §809.51. Child Care for Children with Disabilities

- 14 Section 809.51 is repealed and the common provisions of §§809.50 809.52 are consolidated
- 15 into new §809.50, At-Risk Child Care.
- 16

17 §809.52. Child Care for Children of Teen Parents

- Section 809.52 is repealed and the common provisions of §§809.50 809.52 are consolidated
 into new §809.50, At-Risk Child Care.
- 20

21 §809.50. At-Risk Child Care

- 22 New §809.50 consolidates and streamlines the rule language contained in repealed §§809.50 -
- 23 809.52 by combining similar provisions into one section rather than three.
- 24
- New §809.50 also addresses eligibility for wraparound child care--i.e., child care provided before
- 26 and after a child care provider's designated hours--for children who are receiving Commission-
- 27 funded child care and enrolled in Head Start, public pre-K, or a school-readiness integration
- 28 program.
- 29
- 30 Regarding wraparound child care for children receiving Commission-funded child care and who
- 31 are enrolled in Head Start, which includes Early Head Start or public pre-K, the Texas
- 32 Legislature--as provided in Texas Human Resources Code §72.003, Texas Government Code
- 33 §2308.3165, and Texas Education Code, Chapter 29--has placed increased emphasis on local
- 34 coordination among early childhood education programs in order to support integration across
- 35 these programs. The continued provision of child care services assists in the extension of early
- 36 childhood education program hours to full day and full year.
- 37
- However, the varying eligibility periods among Commission-funded child care services, Head
- 39 Start, and public pre-K have been identified as barriers that may prevent a child in Commission-
- 40 funded child care from completing a Head Start or public pre-K program during the school year.
- 41 Head Start and public pre-K eligibility are determined prior to the school or program year.
- 42 Children are deemed eligible to remain in these programs regardless of changes in a family's
- 43 work or income status. However, children in Commission-funded child care who are receiving
- 44 wraparound care while enrolled in a Head Start or public pre-K program lose eligibility for
- 45 Commission-funded child care during the school year when a family's income or work hours
- 46 change. These early education programs have identified the Child Care and Development Fund

- (CCDF) eligibility period as a barrier to a child's ability to continue participating in the early 1 2 education program.
- 3
- 4 The Commission proposes this amendment with the intent of removing this barrier and to further the intent of the Texas Legislature in Texas Human Resources Code §72.003, Texas Government 5 Code §2308.3165, and Texas Education Code, Chapter 29. 6 7 New §809.50(a) establishes the eligibility requirements for At-Risk child care. Section 8 809.50(a)(1) sets income limits--as established by the Board, and \$809.50(a)(2) sets forth the 9 work, education, and job training requirements for a parent to be determined eligible for child 10 11 care. 12 New §809.50(b) allows Boards to reduce the work, education, and job training activity 13 requirements if a parent's documented medical disability or need to care for a physically or 14 mentally disabled family member prevents the parent from participating in the activities for the 15 required hours per week. 16 17 New §809.50(c) specifies the education credit hour equivalences for meeting the required 18 education activity hours per week and states that teen parents attending high school or the 19 equivalent shall be considered as meeting the education requirements. 20 21 22 New §809.50(d) states that when calculating income eligibility for a child with disabilities, a Board must deduct the cost of the child's ongoing medical expenses from the family income. 23 24 25 New §809.50(e) allows Boards to establish a higher income eligibility limit for teen parents than 26 those specified in \$809.41(a)(2)(A). 27 28 New §809.50(f) states that a teen parent's income is based solely on the teen parent's income and 29 size of the teen's family as defined in \$809.2(8). 30 31 New §809.50(g) states that a child receiving child care services under the Board's initial eligibility requirements in §809.41(a)(2)(A) who is enrolled in Head Start, Early Head Start, or 32 33 public pre-K is eligible to continue receiving child care until the end of the school year as long 34 as: 35 --the family's income does not exceed 85% of the state median income (SMI) for a family of the same size: 36 37 --child care is required for the parent to work or attend a job training or educational program for a minimum of 25 hours per week for a single-parent family or 50 hours per week for a two-38 39 parent family; and --the parents continue to comply with the parent responsibilities described in Subchapter D. 40 41 42 Allowing child care to continue for a child enrolled in Head Start, Early Head Start, or public 43 pre-K assists in the availability of full-day child care pursuant to §809.14(b). The continuation of child care under these provisions is allowed on the basis of the child meeting the federal 44 requirements described in \$809.42(c)(2) as long as the parent is able to meet the Board's initial 45 eligibility requirements. With the federal requirements establishing the eligibility income limit 46

at 85% SMI, this rule only affects Boards whose initial income limits are below 85% SMI and
 whose work requirements are set higher than those set forth in §809.50(a)(2).

3

4 §809.51. Child Care during Temporary Interruptions in Work, Education, or Training

- 5 New §809.51 addresses child care during a parent's:
- 6 --extended temporary medical incapacitation; and
- 7 --temporary cessation of work, education, or job training activities.
- 8

9 Extended temporary medical incapacitation and temporary cessation of work, education, or

10 training are not addressed in current rules. In both circumstances, a parent remains employed, in

11 school, or in training but is temporarily unable to meet the weekly work or attendance hour

12 requirements, thereby causing the parent to become ineligible for child care.

13

14 New §809.51(a) applies to the temporary cessation of work, education, or job training activities.

- 15 This situation may occur when an individual remains employed but is temporarily not working,
- 16 such as with public school employees and students who may no longer be meeting the hourly
- 17 work, education, or job training requirements during semester or summer breaks. Section
- 18 809.51(a) states that if a parent has a temporary cessation of work, education, or job training
- activities and is unable to meet the requirements described in §809.50(a)(2), child care may be
- 20 suspended for no more than 90 calendar days from the documented effective date of the
- cessation of these activities. During the suspension of child care based on the temporary
- 22 cessation of work, the parent will not be receiving subsidized child care, but the parent will also
- not be required to reapply for child care services or be subject to the child care waiting list when
- 24 they return to their work, education or job training activities resume pursuant to their work and
- attendance hour requirements described in \$809.50(a)(2).
- 26
- 27 New §809.51(b) applies to temporary medical incapacitation. This situation may result from a
- health impairment that necessitates an employed parent, or a parent in education or job training,
- to have an extended temporary cessation or reduction in work or attendance hours causing them
- to be unable to meet the requirements described in \$809.50(a)(2). The parent remains employed,
- in school or in training, but cannot work, attend school or training for an extended period of time,
- though the parent intends to return to their employment, education or job training following their
- temporary incapacitation. Section 809.51(b) states that if a parent has a documented temporary
- 34 medical incapacitation and is unable to meet the work, education, or job training requirements
- described in \$809.50(a)(2), the following shall apply:
- 36
- --Child care may be allowed to continue for no more than 30 calendar days from the documented
 effective date of the temporary medical incapacitation; and
- --Child care may be suspended for no more than 60 calendar days after the end of the 30-day
- 40 calendar period following the documented temporary medical incapacitation.
- 41
- The following new provisions apply to both the temporary cessation of work, education, or job training activities and medical incapacitation:

44

- 45 New §809.51(c) states that upon the parent's return to work, education, or job training activities,
- 46 a Board is not required to resume child care at the same provider used prior to the documented

- 1 temporary cessation of these activities or medical incapacitation. The Commission believes that
- 2 requiring the provider to hold the slot open for the child places an undue financial burden on the
- 3 child care provider. Additionally, the parent is not required to reapply for child care services or
- 4 return to the child care wait list.
- 5
- 6 New § 809.51(d) states that prior to any suspension of child care a parent must provide
- 7 documentation from the employer, educational institution, or training provider stating that the
- 8 parent will be returning to work, education, or job training activities following the temporary
- 9 cessation of these activities or medical incapacitation. Even if a parent becomes incapacitated
- because of a sudden illness or medical emergency, the 30-day maximum period where child care
- services may continue allows the parent adequate time to provide the documentation. The Board may determine what is considered acceptable documentation which for example could include
- registration documents or a signed note from the school indicating that the parent will be
- returning after the break.
- 15

16 SUBCHAPTER D. PARENT RIGHTS AND RESPONSIBILITIES

17 The Commission proposes the following amendments to Subchapter D:

18

19 §809.74. Parent Appeal Rights

- 20 Section 809.74(a) is amended to include Choices caseworkers and FSE&T caseworkers and to
- add the suspension of child care as an action for which a parent has the right to request a hearing
- 22 pursuant to Chapter 823 of the Commission's rules. The Commission believes the suspension of
- care as described under new §809.51 is an adverse action, pursuant to 823.2(2), similar to the
- currently appealable denial, delay, termination or reduction in child care services and, therefore,
- 25 it is eligible for appeal by the parent. However, as described in the following section--
- 26 §809.75(b)--child care must not continue during the appeal.
- 27
- Sections 809.74(d) and (e) are removed because the information is contained in §809.74(a).
- 29

30 §809.75. Child Care during Appeal

- 31 Section 809.75(b)(7) removes the term "parent fees" and replaces it with the term "parent share 32 of cost" to align with terminology used throughout this chapter.
- 33
- New §809.75(b)(9) states that child care shall not continue during the appeal if the appeal is due to the suspension of child care services pursuant to §809.51 (related to Child Care during
- to the suspension of child care services pursuant to §809.51 (related to Child Care during
 Temporary Interruptions in Work, Education, or Training). If for example the Board's child care
- remporary merupuons in work, Education, or Training). If for example the Board's child care
 contractor determines that the length of the suspension period for temporary work cessation or
- medical incapacitation should be 30 days rather than the maximum allowable 60 or 90 days,
- 39 parents may appeal the length of the suspension period. However, because child care services
- 40 will be suspended for only a limited amount of time with the understanding that services will
- 41 continue following the brief suspension period, allowing child care to continue during any appeal
- 42 would essentially nullify the suspension period.
- 43 44

45 **PART III. IMPACT STATEMENTS**

46

Randy Townsend, Chief Financial Officer, has determined that for each year of the first five 1 2 years the rules will be in effect, the following statements will apply: 3 4 There are no additional estimated costs to the state and local governments expected as a result of 5 enforcing or administering the rules. 6 7 There are no estimated reductions in costs to the state and to local governments as a result of 8 enforcing or administering the rules. 9 10 There are no estimated losses or increases in revenue to the state or to local governments as a result of enforcing or administering the rules. 11 12 There are no foreseeable implications relating to costs or revenue of the state or local 13 governments as a result of enforcing or administering the rules. 14 15 There are no anticipated economic costs to persons required to comply with the rules. 16 17 18 There is no anticipated adverse economic impact on small or microbusinesses as a result of enforcing or administering the rules. 19 20 21 Economic Impact Statement and Regulatory Flexibility Analysis The Agency has determined that the proposed rules will not have an adverse economic impact on 22 small businesses as these proposed rules place no requirements on small businesses, including 23 child care providers. 24 25 26 27 Mark Hughes, Director of Labor Market Information, has determined that there is no significant negative impact upon employment conditions in the state as a result of the rules. 28 29 Laurence M. Jones, Director, Workforce Development Division, has determined that for each 30 year of the first five years the rules are in effect, the public benefit anticipated as a result of 31 enforcing the proposed rules will be to: 32 33 --meet the requirements of the 80th Texas Legislature regarding enhanced reimbursement rates for child care providers; 34 --allow greater flexibility for Boards to design child care services to meet the needs of the local 35 workforce development area: and 36 37 --allow greater flexibility for parents to continue receiving child care services. 38 39 The Agency hereby certifies that the proposal has been reviewed by legal counsel and found to be within the Agency's legal authority to adopt. 40 41 42 PART IV. COORDINATION ACTIVITIES 43 44 In the development of these rules for publication and public comment, the Commission sought the involvement of Texas' 28 Boards. The Commission provided the concept paper regarding 45 these rule amendments to the Boards for consideration and review on December 18, 2007. The 46

- 1 Commission also conducted a conference call with Board executive directors and Board staff on
- 2 January 4, 2008, to discuss the concept paper. During the rulemaking process, the Commission
- 3 considered all information gathered in order to develop rules that provide clear and concise
- 4 direction to all parties involved.
- 5
- 6 Comments on the proposed rules may be submitted to TWC Policy Comments, Workforce
- 7 Policy and Service Delivery, attn: Workforce Editing, 101 East 15th Street, Room 440T, Austin,
- 8 Texas 78778; faxed to (512) 475-3577; or e-mailed to TWCPolicyComments@twc.state.tx.us.
- 9 The Commission must receive comments postmarked no later than 30 days from the date this
- 10 proposal is published in the *Texas Register*.
- 11
- 12 The rules are proposed under Texas Labor Code §301.0015 and §302.002(d), which provide the
- 13 Commission with the authority to adopt, amend, or repeal such rules as it deems necessary for
- the effective administration of Agency services and activities, and the Texas Human Resources
- 15 Code §44.002, regarding Administrative Rules.
- 16
- 17 The proposed rules will affect Texas Labor Code, Title 4, particularly Chapters 301 and 302, as
- 18 well as Texas Government Code, Chapter 2308.

1	Chapter 809. CHILD CARE SERVICES
2 3	
4	SUBCHAPTER B. GENERAL MANAGEMENT
5 6 7	§809.13. Board Policies for Child Care Services
8 9 10 11	 (a) A Board shall develop, adopt, and modify its policies for the design and management of the delivery of child care services in a public process in accordance with Chapter 801 of this title.
12 13 14 15	(b) A Board shall maintain written copies of the policies that are required by federal and state law, or as requested by the Commission, and make such policies available to the Commission and the public upon request.
16 17 18	(c) A Board shall also submit any modifications, amendments, or new policies to the Commission no later than two weeks after adoption of the policy by the Board.
19	(d) At a minimum, a Board shall develop policies related to:
20 21 22 23 24	 (1) how the Board determines that the parent is making progress toward successful completion of a job training or educational program as described in §809.2(1);
25	(2) maintenance of a waiting list as described in §809.18(b);
26 27 28 29	(3) assessment of a parent share of cost as described in §809.19, including the reimbursement of providers when a parent fails to pay the parent share of cost;
