

CHAPTER 809. CHILD CARE SERVICES

PROPOSED RULES TO BE PUBLISHED IN THE *TEXAS REGISTER*. THIS DOCUMENT WILL HAVE NO SUBSTANTIVE CHANGES BUT IS SUBJECT TO FORMATTING CHANGES AS REQUIRED BY THE OFFICE OF SECRETARY OF STATE.

ON **APRIL 30, 2024**, THE TEXAS WORKFORCE COMMISSION PROPOSED THE RULES BELOW WITH PREAMBLE TO BE SUBMITTED TO THE *TEXAS REGISTER*.

Estimated Publication Date of the Proposal in the *Texas Register*: **May 17, 2024**

Estimated End of Comment Period: **June 17, 2024**

The Texas Workforce Commission (TWC) proposes amendments to the following sections of Chapter 809, relating to Child Care Services:

Subchapter A. General Provisions, §809.2

Subchapter B. General Management, §§809.18 - 809.21

Subchapter C. Eligibility for Child Care Services, §§809.42, 809.51, and 809.56

Subchapter D. Parent Rights and Responsibilities, §809.73

Subchapter E. Requirements to Provide Child Care, §§809.92 - 809.94, and 809.96

Subchapter G. Texas Rising Star Program, §§809.130 - 809.134, and 809.136

PART I. PURPOSE, BACKGROUND, AND AUTHORITY

The proposed amendments to Chapter 809:

- include changes to the Texas Rising Star program based on the program's four-year review as required by Texas Government Code §2308.3155(b);
- clarify that the eligibility period for child care during job search is for 12 months, with a three-month job search period;
- include the requirement that the Parent Share of Cost (PSoC) cannot exceed 7 percent of the family income, regardless of the number of children receiving child care services;
- add children with disabilities as a priority population for child care using contracted slots;
- remove rule provisions that expired on December 1, 2023, and remove specific dates for provisions that became effective on December 1, 2023; and
- change "provider reimbursement" to "provider payment" throughout the rules to align with §809.93, which requires that regulated child care providers (which exclude relatives) be paid prospectively rather than through reimbursement.

Texas Rising Star Four-Year Review

Texas Government Code §2308.3155(b) requires a regular review of the Texas Rising Star program with stakeholder input, and §809.130(e) of this chapter requires the review to take place every four years.

Beginning in July 2023, TWC's Child Care and Early Learning (CC&EL) Division convened a workgroup to review the guidelines. The workgroup included child care program directors from around the state; early childhood advocacy organization representatives; professional

development providers; Local Workforce Development Board (Board) staff; and representatives from TWC, the Texas Health and Human Services Commission's (HHSC's) Child Care Regulation (CCR) division, the State Center for Early Childhood, and the Children's Learning Institute (CLI). The workgroup presented several recommendations for modifications to the Texas Rising Star guidelines.

The workgroup also recommended rule changes under Subchapter G, Texas Rising Star Program. TWC considered and incorporated the following workgroup recommendations into the proposed rule amendments:

- Include reference to the points thresholds for high and medium-high CCR deficiencies established in the Texas Rising Star guidelines to the requirements for initial Texas Rising Star certification and to the standards for probationary status.
- Allow Texas Rising Star certified providers to retain certification for up to six months if the program undergoes a facility change and is issued an initial permit from CCR.

Additionally, as part of the Texas Rising Star Program review, CC&EL staff identified the following rule provisions for amendments:

- Modify the CCR licensing review period from 12 months to 6 months.
- Clarify that an Entry Level designated provider may receive new referrals if it is determined that the provider's licensing history will meet certification criteria by the end of the 24-month Entry Level period.
- Make a technical correction to clarify that TWC staff, rather than the three-member Commission, reviews and approves Texas Rising Star mentor education waivers.
- Clarify Texas Rising Star staff background checks as they relate to CCR background check requirements.
- Remove PSoC reductions for selecting a Texas Rising Star provider.

12-Month Eligibility Period for Child Care during Job Search

The rule amendments clarify that the eligibility period for child care during job search is for 12 months, with a three-month job search period, as allowed under 45 Code of Federal Regulations (CFR) §98.21(a)(2)(iii). TWC notes that this is not a change in policy. Current rule language in §809.56 of this chapter states that eligibility for child care during job search is limited to three months unless the parent becomes employed and meets the work requirements before the end of the job search period. If the parent meets work requirements, child care would continue for 12 months, inclusive of the three-month job search period.

The amended rules retain these time frames, but the rule language is amended to clarify that the child care eligibility period is for 12 months provided that the parent meets work requirements within the first three months of child care.

Capping the PSoC at 7 Percent of Family Income

The amended rules include the requirement that the PSoC cannot exceed 7 percent of the family income, regardless of the number of children receiving child care services. The amended language complies with the recently amended Child Care Development Fund (CCDF)

regulations in CFR 45 §98.45(1), as published in the *Federal Register* (89 FR 15366 - 15417) on March 1, 2024, with an effective date of April 30, 2024.

Remove Expired Provisions

On September 13, 2022, TWC amended Chapter 809 with certain provisions set to be effective prior to December 1, 2023, and subsequently replaced by provisions set to be effective on December 1, 2023. The provisions effective prior to December 1, 2023, and those set to be effective on December 1, 2023, were adopted and published in the *Texas Register* (47 TexReg 6437). The affected sections are:

- §809.18. Maintenance of a Waiting List
- §809.19. Assessing the Parent Share of Cost
- §809.20. Maximum Provider Payment Rates
- §809.93. Provider Payment

PART II. EXPLANATION OF INDIVIDUAL PROVISIONS

(Note: Minor editorial changes are made that do not change the meaning of the rules and, therefore, are not discussed in the Explanation of Individual Provisions.)

SUBCHAPTER A. GENERAL PROVISIONS

TWC proposes the following amendments to Subchapter A:

§809.2. Definitions

Section 809.2 is amended to change "provider reimbursement" to "provider payment" in the definitions of "child care contractor" and "child care subsidies" to align with §809.93, which requires that child care providers be paid prospectively rather than as a reimbursement.

SUBCHAPTER B. GENERAL MANAGEMENT

TWC proposes the following amendments to Subchapter B:

§809.18. Maintenance of a Waiting List

Section 809.18 is amended to remove the provisions that are no longer effective as of December 1, 2023, and leaves the sections that were previously adopted by the Commission with an effective date of December 1, 2023.

Specifically, the rules that became effective December 1, 2023, removed the Board-determined process for determining the child is potentially eligible for services and the frequency in which parent information is updated and maintained. The rules also created a statewide policy to require that Boards contact the parent every three months and remove the child from the waiting list if the parent indicates that child care services are no longer required or does not respond to the Board regarding the continued need for child care services.

§809.19. Assessing the Parent Share of Cost

Section 809.19 is amended to remove the provisions that are no longer effective as of December 1, 2023, and retains the sections that were previously adopted by the Commission with an effective date of December 1, 2023.

Specifically, the rules that became effective December 1, 2023, stated that the PSoC amount is established by TWC and determined on a sliding fee scale based on the family size and gross monthly income and represented by a percentage of the state median income, or SMI.

The rules effective December 1, 2023, removed the requirement that Board policy include the general criteria for determining affordability of the Board's PSoC, as the PSoC is no longer determined or established by the Board. The rules also removed the requirement that Boards have a definition of what constitutes frequent terminations and its process for assessing PSoC affordability.

Similarly, because the Board no longer determines the PSoC, the rules removed the requirement that Boards with frequent terminations for parent failure to pay the PSoC must reexamine their PSoC and adjust it to ensure the PSoC is not a barrier to assistance.

The proposed rule amendments also remove the option for Boards to reduce the PSoC based on the parent selection of Texas Rising Star program providers. The intent of this reduction was to encourage parents to choose a Texas Rising Star program provider. However, because participation in the Texas Rising Star program is now a requirement for all CCS providers, this PSoC reduction is no longer necessary.

Additionally, the proposed rule amendments include the requirement that the PSoC cannot exceed 7 percent of the family income, regardless of the number of children receiving child care services. The amended language complies with the recently amended CCDF regulations in CFR 45 §98.45(l). The US Department of Health and Human Services published the amended regulations in the *Federal Register* (89 FR 15366 - 15417) on March 1, 2024, with an effective date of April 30, 2024.

§809.20. Maximum Provider Reimbursement Rates

Section 809.20 is amended to rename the section "Maximum Provider Payment Rates" and remove "reimbursement" from the title and the section to align with §809.93 of this chapter, which requires that regulated child care providers be paid prospectively rather than as a reimbursement. This change aligns with the recently amended CCDF regulations in 45 CFR 45 §98.45(m), which requires states to pay providers in advance of or at the beginning of the delivery of child care services.

TWC notes that unregulated relative providers will continue to be paid as a reimbursement rather than prospectively. This is in accordance with the CCDF regulation language in 45 CFR 45 §98.45(m), which allows states to exclude certain types of providers from prospective payments if paying in advance is not a generally accepted practice for that provider type. TWC contends that there is no generally accepted practice of parents paying in advance for unregulated relatives caring for children related to them.

This section is also amended to remove the age groups used for payments that are no longer effective as of December 1, 2023, and retains the age groups that were previously adopted by the Commission with an effective date of December 1, 2023.

Specifically, the rules that became effective December 1, 2023, aligned the age groups for payment with the age groups defined by CCR as required by Texas Government Code §2308.315. The new age groups for payment are:

- Infants ages 0 through 11 months
- Infants ages 12 through 17 months
- Toddlers ages 18 through 23 months
- Toddlers age 2 years
- Preschool age 3 years
- Preschool age 4 years
- Preschool age 5 years
- School-age 6 years and older

§809.21. Determining the Amount of the Provider Reimbursement

Section 809.21 is amended to rename the section "Determining the Amount of the Provider Payment" and remove "reimbursement" from the title and the section to align with §809.93 of this chapter, which requires that child care providers be paid prospectively rather than as a reimbursement.

SUBCHAPTER C. ELIGIBILITY FOR CHILD CARE SERVICES

TWC proposes the following amendments to Subchapter C:

§809.42. Eligibility Verification, Determination, and Redetermination

Section 809.42(b) is amended to remove the child care during job search exception for a redetermination no sooner than 12 months. This clarifies that the eligibility period for child care during job search is for 12 months. Boards must not conduct a full eligibility redetermination following the initial 3-month job search period described in §809.56. Boards must only verify that the parent is meeting the work requirements outlined in §809.56(c).

§809.51. Child Care during Temporary Interruptions in Work, Education, or Job Training

Section 809.51(a) is amended to remove the child care during job search exception for a redetermination no sooner than 12 months. This clarifies that the eligibility period for child care during job search is for 12 months. Similarly, the amended language also removes the 12-month redetermination exception during the 12-month eligibility period for children experiencing homelessness. Section 809.52 regarding child care for children experiencing homelessness states that the eligibility period is for 12 months; therefore, the exception for redetermination prior to the end of the 12-month eligibility period is not necessary for children experiencing homelessness.

§809.56. Child Care during Initial Job Search

Section 809.56(c) is amended to clarify that eligibility for child care during initial job search is for 12 months. The 12-month eligibility period consists of an initial 3-month job search period. The previous rule language stated that child care is limited to 3 months but shall continue for the remainder of a 12-month eligibility period if the parent meets work requirements before the end of the 3-month job search period. The amended language shifts the emphasis of the eligibility

period from a 3-month initial period within a 12-month period that is contingent upon work requirements to a full 12-month eligibility period, with a 3-month initial job search period. The continuation of child care for the remainder of the 12-month eligibility period will continue to be contingent upon the parent meeting work requirements in §809.56(c). TWC makes this change to demonstrate compliance more fully with 45 CFR §98.21(a)(2)(iii).

SUBCHAPTER D. PARENT RIGHTS AND RESPONSIBILITIES

TWC proposes the following amendments to Subchapter D:

§809.73. Parent Reporting Requirements

Section 809.73(a) is amended to remove the references to child care during initial job search as a separate eligibility period from the general 12-month eligibility period described in §809.41. This change clarifies that the eligibility period for child care during job search is for 12 months and is aligned with the general 12-month eligibility period for child care services.

SUBCHAPTER E. REQUIREMENTS TO PROVIDE CHILD CARE

TWC proposes the following amendments to Subchapter E:

§809.92. Provider Responsibilities and Reporting Requirements

Section 809.92 is amended to change "reimbursement" to "payment" to align with §809.93, which requires that child care providers be paid prospectively rather than as a reimbursement.

§809.93. Provider Reimbursement

Section 809.93 is amended to rename the section from "Provider Reimbursement" to "Provider Payment" and remove "reimbursement" from the section to align with the requirement that child care providers be paid prospectively rather than through reimbursement.

Section 809.93 is amended to remove the effective date of December 1, 2023, specific to §809.93(f) relating to the requirement that Boards pay regulated child care providers prospectively every two weeks based on the enrollment authorization.

§809.94. Providers Placed on Corrective or Adverse Action by Child Care Regulation

Section 809.94 is amended to remove "reimbursement" from the language to align with §809.93 requiring providers be paid prospectively rather than through reimbursement.

§809.96. Contracted Slots Agreements

Section 809.96 is amended to add children with disabilities as a priority population that can be served using contracted slots agreements. The amended language complies with the recently amended CCDF regulations in CFR 45 §98.30(b), which requires states to increase the use of grants or contracts for the delivery of child care services, including at a minimum for children in underserved areas (for example, in child care deserts), for infants and toddlers, and for children with disabilities.

TWC's current rules at §809.96(e)(1) already provides for contracted slots in child care deserts and underserved areas, and §809.96(e)(4) provides for contracted slots for infant and toddler child care.

SUBCHAPTER G. TEXAS RISING STAR PROGRAM

TWC proposes the following amendments to Subchapter G:

§809.130. Short Title and Purpose

Section 809.130(d)(4) is amended to state that the Texas Rising Star guidelines include a description of high and medium-high CCR deficiencies points thresholds required in §809.132 relating to CCR deficiencies that impact the certification status of a Texas Rising Star certified provider.

§809.131. Requirements for the Texas Rising Star Program

Section 809.131(a) is amended to clarify that this section applies to a child care provider's initial certification under the Texas Rising Star Program. Specifically, the requirement for a permanent (non-expiring) license or registration is a requirement for initial certification. A Texas Rising Star certified provider's certification will not be affected if the provider changes its operations that requires CCR to issue an initial license or registration such as changes in ownership or location coupled with changes in administrative or program staff and previous noncompliance with minimum standards.

Section 809.131(a)(2) is amended to include a required points threshold for high and medium-high CCR deficiencies for a provider to meet Texas Rising Star certification requirements. TWC makes this change to require initial certification to include a CCR deficiency points threshold similar to the requirement for an Entry Level Designation.

Section 809.131(a)(2) is also amended to reduce the Texas Rising Star review period of CCR licensing deficiencies from 12 months to 6 months. This change will support the review of a child care provider's most recent licensing deficiencies to more accurately describe the current status of quality of care being provided. This change also aligns with the current 6-month CCR deficiency history for probationary and suspension periods.

Section 809.131(b)(2) is amended to clarify the current practice that the points threshold for Entry Level Designation is described in the Texas Rising Star guidelines. Section 809.131(d)(2) is also amended to reduce the licensing deficiency period from 12 months to 6 months.

Section 809.131(e) is amended to clarify that beginning on the 18th month of Entry Level designation, the provider's licensing history will be reviewed and if it is determined that the provider will not be eligible by the end of the 24th month based on the most recent 6-month licensing history, the provider will not be able to receive referrals for new families. TWC has noted instances in which a provider would be eligible for certification following the 18th month but was not allowed to receive new referrals because of the current rule language. This rule change will allow a provider to receive new referrals if it is determined that the provider's licensing history will meet certification criteria by the end of the 24-month Entry Level period.

§809.132. Impacts on Texas Rising Star Certification

Section 809.132(a)(4) is amended to remove references to the number of high or medium-high CCR deficiencies that would place a Texas Rising Star certified provider on suspension status.

The amended language states that a certified provider is placed on suspension status if the CCR deficiency points exceed the probationary status points threshold described in the Texas Rising Star guidelines.

Section 809.132(b) is amended to clarify that a provider placed on probation due to a "star level drop" will be reinstated at the provider's previous star level if CCR does not cite any additional specified star-level drop deficiencies during the probationary period. The previous rule language in §809.132(e) did not specify that the additional deficiencies must be related to the deficiencies that placed the provider on probation due to a star level drop. TWC makes this change to clarify that the additional deficiencies are related to the star level drop probationary deficiencies.

Similarly, §809.132(c) is amended to clarify that providers on probationary status due to specified probationary deficiencies and subsequently placed on a second probationary period that also included a star level drop will be reinstated at the provider's previous star level if CCR does not cite any additional probationary deficiencies during the second probationary period. The previous rule language in §809.132(e) that established this requirement did not specify that the additional deficiencies must be related to the deficiencies that placed the provider on probation.

Section 809.132(d) is amended to remove the total number of high or medium-high deficiencies required to place a certified provider on a probationary period. The amended language adds that certified providers whose total points for high or medium-high deficiencies fall within the points threshold described in the Texas Rising Star guidelines will be placed on a six-month probationary period.

Additionally, as with §809.132(c), §809.132(d) is amended to clarify that providers on a second probationary period that also included a star level drop will be reinstated at the provider's previous star level if CCR does not cite any high or medium-high deficiencies during the second probationary period. The previous rule language in §809.132(e) that established this requirement did not specify that the additional deficiencies must be related to the deficiencies that placed the provider on probation.

Section 809.132(b) through (d) is amended to reduce the licensing deficiency period from 12 months to 6 months.

TWC also makes technical changes in §809.132(c) and (d) to align applicable language in these two subsections.

TWC removes the previous §809.132(e), which stated that providers not on suspension status with a star level drop shall be reinstated at the former star level if no citations in subsections (b) through (d) are cited within six months. As explained previously, this language did not specify which deficiencies would be applicable to reinstating the provider's star level; thus, TWC has amended subsections (b) through (d) to clarify the process for reinstating a star level based on the deficiencies specific to each level of probationary status.

Section 809.132 is also amended to change "reimbursement" to "payment" to align with §809.93, which requires that providers be paid prospectively and not as a reimbursement.

§809.133. Application and Assessments for Texas Rising Star Certification

Section 809.133 is amended to remove subsection (h), which requires Boards to be responsible for the tasks assigned to the Texas Rising Star assessor entity, within their respective local workforce development areas, until the assessor entity is procured and designated by TWC. TWC has designated an assessor entity and this provision is no longer applicable.

§809.134. Minimum Qualifications for Texas Rising Star Staff

Section 809.134(a) is amended to modify the background check requirement for Texas Rising Star staff. The intent of the amended language is to clarify that the background check does not need to be conducted using the same procedures and criteria used by CCR to conduct background checks for child care providers and caregivers as required by Chapter 745 of the HHSC child care regulations, which requires a Federal Bureau of Investigation fingerprint check. The background checks required under Chapter 745 are designed for caregivers and individuals who have unsupervised contact with children in a child care facility. Texas Rising Star staff do not meet this standard and are not required to undergo this type of background check.

However, TWC continues to emphasize that Texas Rising Star staff should undergo a standard background check as part of the basic requirements for employment. The amended language requires the Board and the TWC's designated Texas Rising Star assessment entity to conduct a background check on each staff member prior to hiring and again every five years.

Section 809.134(d) is amended to clarify that TWC, rather than the three-member Commission, may grant the waiver regarding the minimum education requirements for Texas Rising Star mentors.

§809.136. Roles and Responsibilities of Texas Rising Star Staff

Section 809.136 is amended to remove the requirements for dual-role staff (that is, individuals who perform the functions of a Texas Rising Star mentor and assessor). With the separation of mentors as Board staff and assessors as staff of the designated assessment entity, the system will no longer have individuals performing dual roles, making these requirements unnecessary.

PART III. IMPACT STATEMENTS

Chris Nelson, Chief Financial Officer, has determined that for each year of the first five years the rules will be in effect, the following statements will apply:

There are no additional estimated costs to the state and to local governments expected as a result of enforcing or administering the rules.

There are no estimated cost reductions to the state and to local governments as a result of enforcing or administering the rules.

There are no estimated losses or increases in revenue to the state or to local governments as a result of enforcing or administering the rules.

There are no foreseeable implications relating to costs or revenue of the state or local governments as a result of enforcing or administering the rules.

There are no anticipated economic costs to individuals required to comply with the rules.

There is no anticipated adverse economic impact on small businesses, microbusinesses, or rural communities as a result of enforcing or administering the rules.

Based on the analyses required by Texas Government Code §2001.024, TWC has determined that the requirement to repeal or amend a rule, as required by Texas Government Code §2001.0045, does not apply to this rulemaking.

Takings Impact Assessment

Under Texas Government Code §2007.002(5), "taking" means a governmental action that affects private real property, in whole or in part or temporarily or permanently, in a manner that requires the governmental entity to compensate the private real property owner as provided by the Fifth and Fourteenth Amendments to the US Constitution or the Texas Constitution, §17 or §19, Article I, or restricts or limits the owner's right to the property that would otherwise exist in the absence of the governmental action, and is the producing cause of a reduction of at least 25 percent in the market value of the affected private real property, determined by comparing the market value of the property as if the governmental action is not in effect and the market value of the property determined as if the governmental action is in effect. TWC completed a Takings Impact Assessment for the proposed rulemaking action under Texas Government Code, §2007.043. The primary purpose of this proposed rulemaking action, as discussed elsewhere in this preamble, is to remove rule provisions that expired on December 1, 2023, and remove specific dates in provisions that became effective on December 1, 2023.

The proposed rulemaking action will not create any additional burden on private real property or affect private real property in a manner that would require compensation to private real property owners under the US Constitution or the Texas Constitution. The proposal also will not affect private real property in a manner that restricts or limits an owner's right to the property that would otherwise exist in the absence of the governmental action. Therefore, the proposed rulemaking will not cause a taking under Texas Government Code, Chapter 2007.

Government Growth Impact Statement

TWC has determined that during the first five years the rules will be in effect, they:

- will not create or eliminate a government program;
- will not require the creation or elimination of employee positions;
- will not require an increase or decrease in future legislative appropriations to TWC;
- will not require an increase or decrease in fees paid to TWC;
- will not create a new regulation;
- will not expand, limit, or eliminate an existing regulation;
- will not change the number of individuals subject to the rules; and
- will not positively or adversely affect the state's economy.

Economic Impact Statement and Regulatory Flexibility Analysis

TWC has determined that the rules will not have an adverse economic impact on small businesses or rural communities, as the proposed rules place no requirements on small businesses or rural communities.

Mariana Vega, Director, Labor Market Information, has determined that there is not a significant negative impact upon employment conditions in the state as a result of the rules.

Reagan Miller, Director, Child Care & Early Learning, has determined that for each year of the first five years the rules are in effect, the public benefit anticipated as a result of enforcing the proposed rules will be to improve program quality, efficiency, and operational consistency.

TWC hereby certifies that the proposal has been reviewed by legal counsel and found to be within TWC's legal authority to adopt.

PART IV. COORDINATION ACTIVITIES

The Texas Rising Star 4-Year review involves the formation of a stakeholder workgroup consisting of Boards, child care advocates, and child care providers. CC&EL conducted workgroup meetings from August to December 2023 to get input on recommended changes to the Texas Rising Star program. Further, CC&EL conducted five public stakeholder meetings in February 2024 to solicit input on the Texas Rising Star program. The meetings were held in Abilene, Round Rock, Dallas, Houston, and McAllen.

CC&EL informed stakeholders of local stakeholder meetings via email outreach by the Boards. CC&EL also received input via TRS4YearReview@twc.texas.gov.

Information on the potential changes and recommendations from the workgroup will be posted at: <https://www.twc.texas.gov/programs/texas-rising-star/2023-workgroup>. Information will also be provided at the stakeholder meetings.

PART V. PUBLIC COMMENTS

Comments on the proposed rules may be submitted to TWCPolicyComments@twc.texas.gov and must be received no later than June 17, 2024.

PART VI. STATUTORY AUTHORITY

The rules are proposed under:

- Texas Government Code §2308.3155(b), which provides TWC with the specific authority to adopt rules to administer the Texas Rising Star Program;
- Texas Labor Code §301.0015(a)(6) and §302.002(d), which provide TWC with the general authority to adopt, amend, or repeal such rules as it deems necessary for the effective administration of TWC services and activities.

The proposed rules relate to Title 4, Texas Labor Code, Chapter 302, and Title 10, Texas Government Code, Chapter 2308.

§809.19. Assessing the Parent Share of Cost.

~~(a) The following provisions are effective prior to December 1, 2023:~~

~~(1) For child care funds allocated by the Commission pursuant to its allocation rules (generally, Chapter 800, Subchapter B of this title (relating to Allocations), and specifically, §800.58 of this title (relating to Child Care)), including local public transferred funds and local private donated funds, as provided in §809.17 of this subchapter, the following shall apply:~~

~~(A) A Board shall set a parent share of cost policy that assesses the parent share of cost in a manner that results in the parent share of cost:~~

~~(i) being assessed to all parents, except in instances when an exemption under subparagraph (B) of this paragraph applies;~~

~~(ii) being an amount determined by a sliding fee scale based on the family's size and gross monthly income, including a possible reexamination of the sliding fee scale if there are frequent terminations for lack of payment pursuant to paragraph (4) of this subsection, which also may consider the number of children in care;~~

~~(iii) being an amount that is affordable and does not result in a barrier to families receiving assistance;~~

~~(iv) being assessed only at the following times:~~

- ~~(I) initial eligibility determination;~~
- ~~(II) 12-month eligibility redetermination;~~
- ~~(III) upon the addition of a child in care;~~
- ~~(IV) upon a parent's report of a change in income, family size, or number of children in care that would result in a reduced parent share of cost assessment; and~~
- ~~(V) upon resumption of work, job training, or education activities following temporary changes described in §809.51(a)(2) of this chapter, and upon resumption of work, job training, or education activities during the three-month continuation of care period described in §809.51(e) of this chapter; and~~

~~(v) not increasing above the amount assessed at initial eligibility determination or at the 12-month eligibility redetermination based on the factor in clause (ii) of this subparagraph, except upon the addition of a child in care as described in clause (iv)(III) of this subparagraph.~~

~~(i) Parents who are participating in Choices or who are in Choices child care described in §809.45 of this chapter;~~

~~(C) Teen parents who are not covered under exemptions listed in subparagraph (B) of this paragraph shall be assessed a parent share of cost. The teen parent's share of cost is based solely on the teen parent's income and size of the teen's family as defined in §809.2 of this chapter.~~

~~(2) A Board shall establish a policy stating whether or not the Board will reimburse providers when parents fail to pay the parent share of cost. If the Board does not reimburse providers under the adopted policy, the Board may establish a policy~~

~~requiring the parent pay the provider before the family can be redetermined eligible for future child care services.~~

- ~~(3) A Board shall establish a policy regarding termination of child care services within a 12-month eligibility period when a parent fails to pay the parent share of cost. The Board's policy must include:~~
- ~~(A) a requirement to evaluate and document each family's financial situation for extenuating circumstances that may affect affordability of the assessed parent share of cost pursuant to subparagraph (B) of this paragraph, and a possible temporary reduction pursuant to paragraph (5) of this subsection before the Board or its child care contractor may terminate care under this section;~~

- ~~(4) A Board with frequent terminations of care for lack of payment of the parent share of cost must reexamine its sliding fee scale and adjust it to ensure that fees are not a barrier to assistance for families at certain income levels.~~
- ~~(5) The Board or its child care contractor may review the assessed parent share of cost for a possible temporary reduction if there are extenuating circumstances that jeopardize a family's self-sufficiency. The Board or its child care contractor may temporarily reduce the assessed parent share of cost if warranted by these circumstances. Following the temporary reduction, the parent share of cost amount immediately prior to the reduction shall be reinstated.~~
- ~~(6) If the parent is not covered by an exemption as specified in paragraph (1)(B) of this subsection, then the Board or its child care contractor shall not waive the assessed parent share of cost under any circumstances.~~
- ~~(7) If the parent share of cost, based on family income and family size, is calculated to be zero, then the Board or its child care contractor shall not charge the parent a minimum share of cost amount.~~

~~(8) A Board may establish a policy to reduce the parent share of cost amount assessed pursuant to paragraph (1)(A)(ii) of this subsection upon the parent's selection of a Texas Rising Star-certified provider. Such Board policy shall ensure:~~

~~(A) that the parent continues to receive the reduction if:~~

~~(i) the Texas Rising Star provider loses Texas Rising Star certification; or~~

~~(ii) the parent moves or changes employment within the workforce area and no Texas Rising Star-certified providers are available to meet the needs of the parent's changed circumstances; and~~

~~(B) the parent no longer receives the reduction if the parent voluntarily transfers the child from a Texas Rising Star-certified provider to a non-Texas Rising Star-certified provider.~~

~~(9) A Board may establish a policy to reduce the parent share of cost amount assessed pursuant to paragraph (1)(A)(ii) of this subsection upon the child's referral for part-time or blended care. Such Board policy shall ensure that:~~

~~(A) the parent no longer receives the reduction if the referral is changed to full-time care; and~~

~~(B) a parent who qualifies for a reduction in parent share of cost for both selecting a Texas Rising Star-certified provider (as defined in paragraph (8) of this subsection) and a child's part-time or blended care referral will receive the greater of the two discounts.~~

~~(a)(1) For child care funds allocated by the Commission pursuant to its allocation rules (generally, Chapter 800, Subchapter B of this title (relating to Allocations), and specifically, §800.58 of this title (relating to Child Care)), including local public transferred funds and local private donated funds, as provided in §809.17 of this subchapter, the following shall apply:~~

~~(1)(A) The parent share of cost shall be:~~

§809.44 of this chapter and as represented by a percentage of the state median income (SMI) up to 85 percent SMI; and

(C) not exceed 7 percent of the family income, regardless of the number of children receiving child care services.

~~(2)(B)~~ A Board shall assess the parent share of cost in accordance with subsection (a)(1)(B) of this section ~~subparagraph (A)(ii) of this paragraph~~ and in a manner that results in the parent share of cost:

(i)(i) initial eligibility determination;

(ii)(ii) 12-month eligibility redetermination;

(iii)(iii) upon the addition of a child in care;

(iv)(iv) upon a parent's report of a change in income, family size, or number of children in care that would result in a reduced parent share of cost assessment; and

(v)(v) upon resumption of work, job training, or education activities following temporary changes described in §809.51(a) of this chapter, and upon resumption of work, job training, or education activities during the three-month continuation of care period described in §809.51(c) of this chapter; and

(B)(iii) not increasing above the amount assessed at initial eligibility determination or at the 12-month eligibility redetermination, except upon the addition of a child in care as described in clause (A)(iii) of this paragraph ~~subclause (i)(III) of this subparagraph.~~

~~(3)(C)~~ Parents who are one or more of the following are exempt from paying the parent share of cost:

(A)(i) Parents who are participating in Choices or who are in Choices child care described in §809.45 of this chapter;

~~(b)(2)~~ A Board shall establish a policy stating whether or not the Board will [pay reimburse](#) providers when parents fail to pay the parent share of cost. If the Board does not [pay reimburse](#) providers under the adopted policy, the Board may establish a policy requiring the parent pay the provider before the family can be redetermined eligible for future child care services.

~~(c)(3)~~ A Board shall establish a policy regarding termination of child care services within a 12-month eligibility period when a parent fails to pay the parent share of cost. The Board's policy must include:

~~(3)(C)~~ maintenance of a list of all terminations due to failure to pay the parent share of cost.

~~(d)(4)~~ The Board or its child care contractor may review the assessed parent share of cost for a possible temporary reduction if there are extenuating circumstances that jeopardize a family's self-sufficiency. The Board or its child care contractor may temporarily reduce the assessed parent share of cost if warranted by these circumstances. Following the temporary reduction, the parent share of cost amount immediately prior to the reduction shall be reinstated.

~~(f)(6)~~ If the parent share of cost, based on family income and family size, is calculated to be zero, then the Board or its child care contractor shall not charge the parent a minimum share of cost amount.

~~(7) A Board may establish a policy to reduce the parent share of cost amount assessed pursuant to paragraph (1)(A) of this subsection upon the parent's selection of a Texas Rising Star certified provider. Such Board policy shall ensure:~~

~~(A) that the parent continues to receive the reduction if:~~

~~(i) the Texas Rising Star provider loses Texas Rising Star certification; or~~

~~(ii) the parent moves or changes employment within the workforce area and no Texas Rising Star certified providers are available to meet the needs of the parent's changed circumstances; and~~

~~(B) the parent no longer receives the reduction if the parent voluntarily transfers the child from a Texas Rising Star certified provider to a non-Texas Rising Star certified provider.~~

~~(g)(8) A Board may establish a policy to reduce the parent share of cost amount assessed pursuant to subsection (a)(1) paragraph (1)(A) of this subsection upon the child's referral for part-time or blended care. Such Board policy shall ensure that the parent no longer receives the reduction if the referral is changed to full-time care.~~

~~(A) parent no longer receives the reduction if the referral is changed to full-time care; and~~

~~(B) a parent who qualifies for a reduction in parent share of cost for both selecting a Texas Rising Star certified provider (as defined in paragraph (7) of this subsection) and a child's part-time or blended care referral will receive the greater of the two discounts.~~
