## 8 **SUBCHAPTER H. PROGRAMS OF INSTRUCTION** 9

### 10 **§807.121. Definitions Relating to Programs of Instruction.** 11

12 The following words and terms, when used in this subchapter, shall have the following  
13 meanings unless the context clearly indicates otherwise.  
14

- 15 (1) Externship--Practical, program-related, off-campus training under direct or  
16 indirect instructor supervision, with a preplanned outline of experiences and  
17 competencies. For purposes of determining whether a program is residence,  
18 distance education, or a hybrid combination, the externship component will not  
19 be a determining factor.  
20
- 21 (2) Laboratory experience or lab--A specific experience of observation,  
22 experimentation, practice, study, technical investigation, analysis, and practical  
23 application of theory or verbal instruction involving hands-on supervised study  
24 in a selected vocation or course.  
25
- 26 (3) Lecture--A presentation of theories, concepts, procedures, or information about  
27 a particular subject.  
28
- 29 (4) New program--A program:  
30  
31 (A) not previously offered;  
32  
33 (B) previously offered and then discontinued;  
34  
35 (C) with a revised objective such that the program provides preparation for  
36 different jobs than those for which the program was originally approved  
37 (examples: legal secretary to paralegal; dental technician to medical  
38 technician; computer operator to computer programmer); or  
39  
40 (D) with a 25 percent or more change within a 12-month period to the total  
41 number of hours, content, or lessons (examples: course time from 1,000  
42 hours to 750, 600 hours to 900, 20 lessons to 30, 60 semester credit  
43 hours to 80).  
44
- 45 (5) New seminar--A seminar:  
46

- (A) not previously offered;
- (B) previously offered and then discontinued;
- (C) with a revised objective; or
- (D) with a 25 percent or more change in a 12-month period to the total number of hours of the approved seminar.

- (6) Revised program or seminar--Revisions include changes in admission requirements, title, class title, objective description (but not the detailed objective), course time hours or credit hours, or class hours of lecture, laboratory, or externship. School calendars, class schedules, and price changes are catalog changes, not revisions.
- (7) Military service course credit directory--The Agency-published list of any course types, with Classification for Instructional Program Codes (CIP codes), that are identified by the Agency and the relevant military experience, education, or training that may align with those programs or courses.

*The provisions of this §807.121 adopted to be effective August 28, 2006, 31 TexReg 6803; amended to be effective November 28, 2022, 47 TeReg 7914*

#### **§807.122. General Information for Programs of Instruction.**

- (a) Each program of instruction submitted for approval shall be identified by a title.
- (b) The Agency will not approve false, misleading, or deceptive titles.
- (c) The school shall ensure that each program prepares the student for the stated occupation.
- (d) The school shall identify a demonstrable occupational demand for the stated occupation. The Agency may consider the following in evaluating the school's statement of occupational demand:
  - (1) publications of established relevant occupational associations;
  - (2) targeted occupation lists of Local Workforce Development Boards, if approved by the Agency, or other local or state entities;
  - (3) references to advertisements in media for employment;
  - (4) occupation employment rate of students;

- (5) percentage of graduating students who have previously completed the same or a substantially similar program and who have obtained employment in the same or substantially similar stated occupation for which they have been trained;
- (6) relative supply and demand for the stated occupation, including letters from potential employers that describe their need for trained employees; or
- (7) reports or publications relating to the specific occupational demand.

(e) The school shall:

- (1) ensure the program and stated occupation comply with statutory and regulatory requirements of the State of Texas, as well as codes adopted by the local municipality or other authority having jurisdiction where the school is located, and statutory and regulatory requirements of the location of the school, if it is located out of state;
- (2) provide competency-based programs;
- (3) assess skills using primarily performance-based methods;
- (4) use instructional media, methods, and materials appropriate for the program content and students' knowledge and abilities;
- (5) offer programs in a logical sequence of knowledge and skills;
- (6) if deemed appropriate by the Agency, provide an externship or a simulation of the workplace for the program; and
- (7) for any course listed in the military service course credit directory, provide credit to a student toward any course time required for the program of study or course for skills obtained by the student through military experience, education, or training, unless the school or college can demonstrate that those skills are not appropriately aligned with the program of study or course. This requirement prevails regardless of a course requiring Agency approval or having obtained accreditor approval.

(f) Each program submitted for approval shall identify the courses and course time hours allocated to that program. A program of a disproportionate length reasonable to prepare the student for the stated occupation, as determined by the Agency, shall not be approved.

- 1 (g) A school shall not apply for approval of a program that is substantially similar to a  
2 discontinued or revoked program, unless the application for approval is submitted at  
3 least one year after the date of discontinuation or revocation, and:  
4  
5 (1) the school's approved programs are all meeting the employment rate as  
6 referenced in §807.131(b) of this subchapter, at the time of application; and  
7  
8 (2) the school submits a reimplementation plan to the Agency.  
9  
10 (h) A school is not required to submit applications for additional courses of instruction  
11 or for course revisions to the Agency for approval, if the school:  
12  
13 (1) has been licensed for at least one year under the current ownership;  
14  
15 (2) is accredited by an agency recognized by the United States Secretary of  
16 Education; and  
17  
18 (3) is in good standing with its designated accrediting agency and not subject to:  
19  
20 (A) probation;  
21  
22 (B) a directive to show cause as to why accreditation should not be revoked;  
23 or  
24  
25 (C) any other action, as defined by the accrediting agency, that would  
26 otherwise prevent the school from seeking approval to add or revise a  
27 course of instruction.  
28  
29 (i) Upon receipt of the approval of the course of instruction from the accrediting agency,  
30 the school shall provide a copy to the Agency.  
31  
32 (j) The Agency may require the school director of an accredited school to file  
33 applications for nondegree programs if there have been two substantiated complaints  
34 regarding courses in the previous year.  
35  
36 (k) A school submitting applications for approval of seminars shall use abbreviated  
37 forms provided by the Agency.  
38  
39 (l) No program shall be approved by the Agency unless the school demonstrates that the  
40 program's quality, content, and length reasonably and adequately imparts the job  
41 skills and knowledge necessary for the student to obtain employment in the stated  
42 occupation.  
43  
44 (m) A school may not solicit students, otherwise advertise, or conduct classes for a  
45 course of instruction prior to the Agency's approval of the course of instruction. Any  
46 such activity by the school, prior to the Agency's approval of the course of

1 instruction, shall constitute a misrepresentation by the school and shall entitle each  
2 student in the course of instruction to a full refund of all tuition and fees paid by the  
3 student and release from all obligations.  
4

- 5 (n) The school shall establish and maintain a formal advisory committee of at least five  
6 members, unless the Agency approves a lesser number of persons in advance, for  
7 each type of program with course time in excess of 200 hours in length. A simple  
8 majority of the members of the advisory committee shall not have an ownership or  
9 financial interest in the school, nor shall they be employees of the school. At least  
10 annually, the committee shall evaluate the curriculum, instructional materials and  
11 media, equipment, and facilities to ensure they meet the needs of the job market. The  
12 school shall have written documentation of the evaluation available for review by the  
13 Agency. If the school does not follow an advisory committee recommendation, the  
14 school shall maintain written documentation of the justification for not following the  
15 recommendation.  
16

- 17 (o) If the applicant requests approval to measure courses of instruction in credit hours,  
18 the following conversion table shall be used.  
19

- 20 (1) One academic quarter credit hour equals a minimum course time of:  
21

- 22 (A) 10 hours of classroom lecture;  
23  
24 (B) 20 hours of laboratory experience; or  
25  
26 (C) 30 hours of externship.  
27

- 28 (2) One academic semester credit hour equals a minimum course time of:  
29

- 30 (A) 15 hours of classroom lecture;  
31  
32 (B) 30 hours of laboratory experience; or  
33  
34 (C) 45 hours of externship.  
35

- 36 (3) The school shall calculate lecture, laboratory, and externship credit hour  
37 conversions individually for each course, rounding down to the nearest half  
38 credit hour. The school shall add the total for the credit hours for lecture,  
39 laboratory, and externship to determine the total credit hours for a class.

## SUBCHAPTER L. PROGRESS STANDARDS

### §807.221. General Requirements for Progress Standards.

- (a) The Agency may approve specific progress standards for self-paced, competency-based programs.
- (b) Seminars, because of their nature and duration, are not required to have progress standards.
- (c) The progress evaluation records shall be of the type and nature to reflect whether the student is making satisfactory progress to the point of being able to complete all subject matter within the allotted time provided in the course curriculum.
- (d) The school shall submit its policies pertaining to incomplete grades to the Agency for approval and publish those policies in the school's catalog. The policies shall address the possibility of the classes being discontinued when the student returns and clarify options available to that student pursuant to the Act.
- (e) Approved court reporting program students may receive one grade of "IP" (in progress) in any speedbuilding class if they have not achieved the required speed at the end of the grading period.

*The provisions of this §807.221 adopted to be effective August 28, 2006, 31 TexReg 6803; amended to be effective November 28, 2022, 47 TexReg 7914*

### §807.222. Progress Requirements for Residence Schools.

- (a) For programs with course time of 40 hours or less, the school is only required to give a final exam at the end of the program to determine whether the student has sufficient knowledge to warrant a certificate of completion, in lieu of a progress evaluation.
- (b) For programs with course time of 41 to 200 hours, the school shall record a student's grades at the midpoint and end of each progress evaluation period. A student not making satisfactory progress at the midpoint shall be placed on academic probation for the remainder of the progress evaluation period. If the student does not achieve satisfactory progress by the end of the probationary period, the student's enrollment shall be terminated.
- (c) For schools approved on a course time basis and offering programs in excess of 200 hours, the school shall evaluate progress at least every eight weeks. A school approved on a credit hour basis shall evaluate progress at the midpoint and end-of-

term for academic semester or academic quarter or at least every eight weeks. For programs with course time in excess of 200 hours, the following shall apply.

- (1) The school shall place a student making unsatisfactory progress for the program at the end of a progress evaluation period on academic probation for the next progress evaluation period. If the student on academic probation achieves satisfactory progress for the subsequent progress evaluation period, but does not achieve the required grades to meet overall satisfactory progress for the program, the student may be continued on academic probation for one more progress evaluation period.
- (2) If a student on academic probation fails to achieve satisfactory progress for the first probationary progress evaluation period, the student's enrollment shall be terminated.
- (3) The enrollment of a student who fails to achieve overall satisfactory progress for the program at the end of two successive probationary progress evaluation periods shall be terminated.
- (d) When a student is placed on academic probation, the school shall counsel the student prior to the student returning to class. The date, action taken, and terms of probation shall be clearly indicated in the student's permanent file.
- (e) The school may allow a student whose enrollment was terminated for unsatisfactory progress to reenroll after a minimum of one progress evaluation period. Such reenrollment does not circumvent the approved refund policy.
- (f) The school shall place a student who returns after their enrollment was terminated for unsatisfactory progress on academic probation for the next grading period. The school shall advise the student of this action and document the student's file accordingly. If the student does not demonstrate satisfactory progress at the end of this probationary period, that student's enrollment shall be terminated.

22 which reasonably prudent persons are accustomed to rely in the conduct of their  
23 affairs. However, the hearing officer may exclude evidence if its probative value is  
24 outweighed by the danger of unfair prejudice, by confusion of the issues, or by  
25 reasonable concern for undue delay, waste of time, or needless presentation of  
26 cumulative evidence.  
27  
28 (b) Exchange of Exhibits. Any documentary evidence to be presented during a
