Notes:

<sup>1</sup> Supplemental Nutrition Assistance Employment and Training (SNAP E&T) funds are allocated to local workforce areas using a need-based formula. This formula is based on the relative proportion of mandatory work registrants receiving SNAP benefits during the most recent calendar year along with an equal base amount and the application of a hold harmless/stop gain procedure as set forth in TWC Rule Sec. 800.54(b)

<sup>2</sup> After the approved ABAWD funding amounts are provided to TWC, the allocation for each LWDA is determined using the same need-based formula as set forth in TWC Rule Sec. 800.54(b).
