

**Appointments of New Members and New Chairperson  
to the Advisory Committee of the  
Purchasing from People with Disabilities Program  
Discussion Paper**

**Background**

Texas Human Resources Code §122.0057(a) authorizes the Texas Workforce Commission's three-member Commission (Commission) to form an advisory committee to help establish program performance goals and criteria for certifying community rehabilitation programs (CRPs) to participate in the Purchasing from People with Disabilities (PPD) program.

Section 122.0057(b) states that the advisory committee must be composed of 13 members appointed by the Commission, as follows:

- Four representatives from CRPs that participate in the PPD program
- Four representatives from organizations that advocate for individuals with disabilities
- The executive commissioner of the Texas Health and Human Services Commission or their designee
- Four individuals with disabilities, two of whom are employed by CRPs that participate in the PPD program

PPD Advisory Committee members serve at the will of the Commission and serve staggered four-year terms. A member may not serve more than two four-year terms.

In addition, Section 122.0057(d) requires the Commission to appoint an advisory committee chairperson from among the members serving on the committee. When the role of chairperson is vacant, PPD staff invites current PPD Advisory Committee members to submit their interest in serving as chair. PPD staff members then gather information about each interested member and consider factors such as the opportunity for a member of each group represented on the committee to serve as chairperson and the experience of each interested member in performing similar leadership roles.

## Issue 2

Following the completion of the former PPD Advisory Committee chair's term, PPD staff surveyed committee members to determine which members were interested in being considered for appointment as chairperson. One member, Mr. James Meehan, who represents a CRP, expressed interest in serving.

## Recommendation

Staff recommends the appointment of Ms. Genelle Sanders, Mr. Robert Griffin, Ms. Ruth Davis, and Ms. Cynthia Watson each to a first four-year term on the PPD Advisory Committee, with such term to end in February 2029. Staff also recommends the appointment of James Meehan as chairperson of the PPD Advisory Committee for the period beginning May 27, 2025, and ending February 1, 2027.
