ENHANCED CONTROL & SECURITY TO EMPOWER YOUR BUSINESS

Join us on our journey to implement the new Texas Unemployment System, or TxUS!

TxUS – the future of the Texas Unemployment System – has arrived.

Powered by Neosurance from Sagitec, TxUS is more than just a system upgrade. It's a complete transformation.

Access new features like extensive self-service options, 24/7 access, real-time updates and streamlined data.

TxUS makes change manageable with a seamless experience for agents, employers, and our dedicated staff

Unlock Efficiency with Self-Service: Streamline your workflows with our extensive self-service options. Access information, manage accounts, and complete tasks at your convenience, so you can free up time to focus on your business.

Get the Support You Need, Securely: From basic assistance to in-depth support, TxUS has you covered. Explore resources and contact our team from a secure and centralized customer portal.

It's Hard to say Goodbye

Say hello to TxUS and goodbye to:
