Staffing:

The BET manager may require three (3) full-time employees.

Host Cleaning Responsibilities:

General cleanliness of the areas except the vending machines.

Manager Responsibilities:

The manager is responsible for the daily operation of the business, servicing and stocking all machines, repairs and cleaning of the equipment as needed. The BET manager is responsible for removal of all trash generated while stocking the facility.

Transportation:

There is no Public or Special Transit available.

Vending Service Contract Information

Any vending service contract the BET Manager negotiates must contain the following statements, information, and be pre-approved by BET:

1. The vending machines shall contain only products that show expiration dates on each package. The contractor is responsible for the rotation and adequate supply of products. All product types must be offered year-round including products containing chocolate. No products may be sold beyond their expiration dates.
2. The contractor shall consistently provide vending services adequate to meet customer demand and customer satisfaction.
3. The vending machines shall be labeled with a professional looking sign or decal (Hand-written signs or decals are **not** acceptable), prominently placed on the front, displaying the contractor's name, telephone number, and refund information. The contractor shall establish and provide the BET manager with a copy of their refund and or reimbursement system for every service site.

4. The vending machine products and prices shall be identified by professional looking signs or tags (Handwritten signs or tags are **not** acceptable.) The Texas Workforce Commission (TWC) establishes the price ranges for products sold in vending machines/merchandisers located in approved TWC areas. The BET manager working with the contractor shall establish specific product pricing. The contractor may not price products more than TWC price ranges.
5. At no time can the contractor remove vending machines or change the machine mix without prior authorization from the BET manager.
6. All vending machines placed in state and federal buildings shall have operational Energy Saving Devices.
7. The contractor shall keep the contractor's machines and all adjacent areas neat and sanitary. The contractor shall clean spills that occur while filling or cleaning machines, shall clean the front of the machines after restocking or servicing them and remove packaging and waste from the area after each service call.
8. In performing the services covered under this contract, the contractor shall comply with all applicable federal, state, or local laws, including, those related to occupational safety and health, equal employment opportunity, immigration and naturalization, the Americans with Disabilities Act, and the State Tax and Insurance Law.
9. The contractor shall not enter any subcontract for services under this contract without previous approval provided in writing by the BET manager.
10. If the vending contractor vacates the business for any reason including bankruptcy, the BET manager shall reserve the right to remove, store and sell any equipment not removed at the end of a 30-day cancellation notice. If the contractor stops providing service, the BET manager reserves the right to remove, store, and sell any equipment not removed after five calendar days without service. This agreement does not provide exclusive right to operate

vending services on service sites. This agreement is not assignable to another party.

Storage Area

There is no storage available. The vending manager may need to acquire additional storage.

Required Inventory

The manager must show the ability to provide \$3,953 in vending machine resale inventory, \$580 in miscellaneous inventory, and \$1,184 in opening cash for the vending machines. After assignment and during start-up, the incoming manager should expect costs to exceed the required operational amounts.
