9.3 Vendor Notification: The Vendor will notify TWC within two (2) business days if at any time the Vendor is not in compliance with the provisions of the contract. A false statement regarding the Vendor's compliance with the terms of the contract may be treated as a material breach and may be grounds for TWC to terminate the Contract.

9.4 Participation of Historically Underutilized Businesses (HUBs): Vendor shall comply with any HUB requirements identified in the solicitation under which the Vendor applied, if applicable.

9.5 Termination Provisions: The contract may be terminated by mutual consent of the parties. In the event of a Termination by Mutual Agreement, TWC's "Notice of Termination" will be delivered to the Vendor, specifying the extent to which performance of work under the contract is terminated and the date upon which the termination becomes effective. TWC will determine the effective termination date; however, in all cases, TWC will need at least thirty (30) days' written notice of the request to terminate prior to the effective termination date. TWC shall not be liable to the Vendor for any work done or materials purchased after termination or for lost profits or other damages. This right to terminate is in addition to and not in lieu of the rights provided to TWC by the contract or under Section 8 of the Terms and Conditions.

9.6 Failure to Perform: If the Vendor fails to perform in accordance with the provisions of the contract, TWC may upon written notice to the Vendor, take adverse action against the Vendor, up to and including terminating the contract in whole or in part. If notice of termination is given, all work by the Vendor shall cease on the effective date of the termination, and TWC will not pay for work performed on or after the effective date of termination. Such termination shall not be an exclusive remedy but shall be in addition to any other rights and remedies provided by law or under the contract. Adverse action, including termination, may result from, but is not limited to:

9.6.1. Violation of the terms of the contract;

- 9.6.2.** Any evidence of abuse, neglect, or exploitation of TWC Vocational Rehabilitation (TWC VR) customers receiving services from the Vendor as substantiated by an investigation conducted by the Vendor, an external regulatory or law enforcement agency, or TWC;
- 9.6.3.** Any information giving TWC reason to believe that the health or safety of TWC VR customers is compromised;
- 9.6.4.** Any change in ownership or change in control that TWC believes would adversely affect the delivery of services;
 - 9.6.4A.** Bringing any individual who is debarred by TWC into the contract in any financial or legal way (such unacceptable arrangements to include, without limitation, any employment, consulting, contracting, subcontracting, partnership, sale, merger, successor, association or joint venture with a debarred individual);
- 9.6.5.** Any real or apparent conflict of interest giving TWC reason to believe that continuation of the Contract is not in the best interest of TWC, the state, or TWC VR customers; or
- 9.6.6.** Any violation of state or federal law.

- 9.7 Remedies:** The Vendor and any of its subcontractors associated with the contract will remedy in a timely manner, any weaknesses, deficiencies, or program noncompliance found as a result of a review, audit or investigation, and any performance or fiscal exceptions found by TWC, the SAO, the federal funding agency, their successor agencies, or any of their duly authorized representatives. TWC may withhold or recoup payments due or paid under the contract, in whole or in part, in the event of the Vendor's noncompliance with any term or provision of the contract, any federal or state law or regulation, or any TWC rules or standards, including, but not limited to, the requirements specifically stated in the contract, relating to the Vendor's performance under the contract, as pursuant to Title 40 TAC § 858.9 or any other appropriate remedies deemed necessary by TWC.
- 9.8 TWC Regulations:** The Vendor and any subcontractors are aware of the TWC regulations, and the Vendor and any subcontractors acknowledge those legal obligations and agree to follow and comply with those obligations. The regulations are codified at 40 TAC, Chapter 858.
- 9.9 TWC Manuals:** Vendor and any subcontractors acknowledge that TWC issues manuals that stipulate standards for VR providers, and that those manuals, as amended, apply to and control the contract. Vendor and any subcontractors agree to follow the standards set forth in TWC's provider manuals.
- 9.10 Invoice Deadline:** TWC is not liable for any payments due under this Contract which have not been invoiced to TWC within ninety (90) days following the service date or expiration

of the State Fiscal Year in which goods or services were rendered, whichever is later.

If Respondent is unable to make the preceding representation and warranty, then Respondent instead represents and warrants that it has included as a detailed attachment in its Response a complete disclosure of any such court or governmental agency actions, proceedings or investigations, etc. that would or could impair Respondent's performance under the contract, relate to the solicited or similar goods or services, or otherwise be relevant to Agency's consideration of the Response. In addition, Respondent represents and warrants that it shall notify Agency in writing within five (5) business days of any changes to the representations or warranties in this clause and understands that failure to so timely update Agency shall constitute breach of contract and may result in immediate termination of the contract.

10.6 Limitation on Authority: Respondent shall have no authority to act for or on behalf of Agency or the State of Texas except as expressly provided for in the contract; no other authority, power or use is granted or implied. Respondent may not incur any debt, obligation, expense or liability of any kind on behalf of Agency or the State of Texas.

10.7 No Third-Party Beneficiaries: The contract is made solely

and specifically for the benefit of the named parties and their respective successors and assigns, and no other person shall have any right, interest, or claims hereunder or be entitled to any benefits pursuant to or on account of the contract as a third-party beneficiary or otherwise.

State Property includes, but is not limited to, Agency's office space, identification badges, Agency information technology equipment and networks (e.g., laptops, portable printers, cell phones, iPads, external hard drives, data storage devices, keyboards, headsets, any Agency-issued software, and the Agency Virtual Private Network (VPN client)), and any other resources of Agency. Respondent shall not remove State Property from within the borders of the continental United States. the State Property and get it ready for reuse. Respondent shall fully reimburse such charges to Agency within ten (10) days of Respondent's receipt of Agency's notice of amount due. Use of State Property for a purpose not authorized by contract shall constitute breach of contract and may result in termination of the contract and the pursuit of other remedies available to Agency under contract, at law, or in equity.

10.9 Refund: Vendor will promptly refund or credit within thirty (30) days any funds erroneously paid by TWC which are not expressly authorized under the contract.

10.10 Subcontractors: Vendor may not subcontract any or all of the work and/or obligations due under the contract without prior written approval of the TWC. Subcontracts, if any, entered into by the Vendor shall be in writing and be subject to the requirements of the contract. Should Vendor subcontract any of the services required in the contract, Vendor expressly understands and acknowledges that in entering into such subcontract(s), TWC is in no manner liable to any subcontractor(s) of Vendor. In no event shall this provision relieve Vendor of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with the contract.

11. Contract Management, Oversight, and Review

11.1 Vendor Obligations: Vendor acknowledges their ongoing obligation to participate in the administration of the contract. The Vendor agrees to promptly and completely respond to any request from a VR counselor, contract management, contract

monitoring, investigator, or other TWC staff.

- 11.2 Method and Location:** TWC, in its sole discretion, will determine whether to conduct a desk review of documents, speak to Vendor's staff (by phone or video conference) or meet in-person and, if in-person, whether it will occur at the Vendor's place of business, at a Workforce Solutions office location, or at some other physical location.
- 11.3 Items to be Reviewed:** Vendor will provide all relevant records, whether on paper, electronic, video or audio files, or in whatever form. TWC may also need to observe one or more aspects of Vendor's operations.
- 11.4 Subject Matters to be Examined:** Vendor agrees TWC has the right to access all relevant materials, including, but not limited to, relevant financial documents, databases and management control systems, communications with VR customers, internal company records showing the handling and documentation of service to VR customers, any VR customer complaints, any discipline or training of employees due to performance connected to a VR customer, any written Vendor policies, any communications with TWC, all criminal background check files, all files of self-reporting issues to TWC, and all files relating to subcontractors, if any.
- 11.5 Notice and Deadlines:** In most cases TWC will give reasonable notice of its plan to review Vendor's operations and records and will give a reasonable amount of time for Vendor to respond before any deadline. However, if TWC has credible information of an immediate threat, TWC reserves the right to

take necessary action with minimal or no notice.

- 11.6 Subcontractors:** All provisions in this section apply equally to any subcontractor, and this term will be included in any subcontract.

12. Background Checks

- 12.1 Background checks by Vendor of all personnel who interact with VR customers:** Vendors, that will provide goods or services directly to VR customers, must run a criminal background check on each of its employees who will interact with any VR customer in accordance with the minimum requirements for conducting background checks contained in [Chapter 3, Basic Standards](#) of the VR-Standards for Providers Manual. In this context, “interact” means any communication or other contact whether in person, on paper, by voice, by sign language, electronically or any other method. All provider staff must have a background check. The only exception is for staff who never communicate with or are physically present with a VR customer. Background checks must be completed by the Vendor before the employee interacts with any VR customer. An employee who fails the criminal background check must never interact with any VR customer. If a provider chooses not to do a background check on a staff member, then the provider must demonstrate that the staff member has never interacted with any VR customer in any way on any subject.
- 12.2 No de minimus exception: Vendor** employees are covered by this requirement regardless of how short or rare the

interaction may be, and regardless of the subject matter or context of the interaction. Vendors who comply with this requirement will never have any employee interact with any VR customer unless and until the employee passes a criminal background check.

12.3 Credentialing, documenting, and renewing: For purposes of complying with this section, an employee's criminal background check expires after 3 years. The Vendor must run a new check before the 3 years expires or must remove the employee from interacting with VR customers on and after the date the background check expires. An employee whose criminal background check has expired must not interact with VR customers. The Vendor will maintain records of all criminal background checks showing that the checks have been completed and that the employees have not failed the criminal background check. For the purpose of this section, documentation means a completed Background Check Search Confirmation and Attestation Form for each applicable individual showing the name of the individual checked, the signature of the individual showing consent to obtain and release background check information, dates of background checks, whether the individual passed the background check, and any other information required in the procedures contained in the VR-Standards for Providers Manual, Chapter 3, Basic Standards. Documentation of a current and passing criminal background check is both a "qualification" and a "credential" within the meaning of 40 TAC § 858.3(a)(1) and any successor regulation.

- 12.4 Employee self-reporting:** In addition to the background check, the Vendor will require all of its employees to self-report to the Vendor the employee's conviction, incarceration, criminal fine, probation, community service, or deferred adjudication.
- 12.5 Record keeping and access to records:** For each covered employee the Vendor must maintain documentation of conducting the background checks for a minimum of 6 years. Vendors must maintain the Background Check Search Confirmation and Attestation Form ("log") showing the name of the individual checked, the signature of the individual showing consent to obtain and release background check information, dates of background checks, whether the individual passed the background check, and any other information required in the procedures contained in the VR-Standards for Providers Manual, Chapter 3, Basic Standards. Vendors must maintain a record of the payment for the background check, as applicable. Upon written request, the Vendor must provide access to or copies of all background check logs, payment records, and other required documentation to any VR counselor, contract management staff, contract monitoring staff, or other TWC staff.
- 12.6 Subcontractors:** All provisions in this section apply equally to any subcontractor, and this term will be included in any subcontract.
- 12.7 Standards for passing the background check; exceptions:** TWC has adopted a list of criminal offenses which disqualify Vendor employees from interacting with VR

customers. The list is posted on the [VR Providers' Resources Page](#). TWC will consider exceptions in some cases to offenses included under subsections (b) and (c) of the list. Vendors are responsible for seeking an exception.

12.8 Guidance or Exceptions: If a Vendor is unclear on the process to conduct a background check, or unclear about how to interpret the results, the Vendor shall ask VRD for technical assistance. TWC may grant exceptions to (i) remove the exclusion of an employee who failed a background check based on offenses contained in subsection (b) of the disqualifying offenses list or (ii) grant blanket exceptions to the requirement to conduct background checks on certain types of entities, procurements, services, or goods. Any exception granted by TWC must be supported by (a) a determination by TWC that the need for the exception outweighs the likely risk, and (b) written, dated documentation that TWC agreed to the exception. TWC retains the right to place time limits or other restrictions on any granted exceptions.
