

Texas Workforce Commission  
Adult Education and Literacy  
Enrollment Form Instructions

June 2025

## Background

The Workforce Innovation and Opportunity Act (WIOA) requires all WIOA programs to capture certain demographic information on participants, known as the Participant Individual Record Layout (PIRL). These defined PIRL elements are outlined in the PIRL joint information collection OMB 1205-0521. Not all PIRL elements are required for Adult Education and Family Literacy Act (AEFLA) programs, but those which are joint PIRL (JP) elements are required to be captured by all WIOA programs to “ensure data consistency across core programs.”<sup>1</sup> There are common JP data elements, and Texas Workforce Commission (TWC) updated Texas Educating Adults Management System (TEAMS) December 2020 to ensure the required JP data elements are captured and recorded prior to enrolling an individual into Adult Education and Literacy (AEL) services. More information on the WIOA PIRL elements may be found on the [Department of Labor’s web page](#).

In addition to PIRL data elements, TWC requires additional data elements that support data-matching efforts for tracking AEL participants’ outcomes during and after program exit. AEL grantees must include, at a minimum, all elements outlined in this document on enrollment forms and may add any additional elements.

### Adult Education and Literacy Enrollment Form Elements

Data elements with a number in parenthesis signify a PIRL data element. The data element name is shown in Heading 2. A number in this name signifies the PIRL data element number, and JP signals a joint PIRL element. So “(JP202) Individual with a Disability” means Joint PIRL Element Number 202, and the data element name is Individual with a Disability. Definitions/Instructions indicate how this section must be completed, and instructions for PIRL data elements are outlined as they are in WIOA guidance.
