

## Summary of Changes

### Cost Category Changes for Boards Only

<b>Topic</b>	<b>Description of Change</b>	<b>Explanation for Change</b>
SNAP E&T	Removes unexpended balances of prior year funds as first priority for spending.	Current and prior year's contracts do not overlap.
SNAP E&T	Clarifies that when 2016 ABAWD funding is added to the contract, Boards are required to budget not less than the amount of ABAWD funding in CDER.	Reporting changes due to combining ABAWD and non-ABAWD funds into one contract.
SNAP E&T	Clarifies that after ABAWD funds are expended, Boards are required to report General Population funds spent on ABAWDs in the ABAWD category.	Reporting changes due to combining ABAWD and non-ABAWD funds into one contract.
SNAP E&T	Clarifies that the 10 percent administration limit applies to the combined amount of funding.	Reporting changes due to combining ABAWD and non-ABAWD funds into one contract.
