The NaturalText for the diagram is not provided in the image. However, the diagram is labeled as "TWS-VRS & HHS Waiver Sequencing of Services" and includes a flowchart with various decision points and outcomes related to Medicaid waiver services and employment assistance. The diagram begins with a statement: "Individual on 1915(c) waiver wants job in community." The flowchart outlines steps such as not being eligible for TWS-VRS, providing 1915(c) Employment Assistance, ensuring IPC updated with 1915(c) SE hours, and continuing to provide Employment Assistance through 1915(c) waiver.

The diagram also includes sections for VRS: C-1203: Extended Supports and Medicaid Waivers, with details on Medicaid Waiver Programs and other resources. The flowchart includes various decision paths and outcomes, such as the need for retraining, low-skilled tasks, and employment assistance through 1915(c) waiver.
