PROCEDURES:

FLEXIBILITY RATINGS:

No Local Flexibility (NLF): This rating indicates that Boards must comply with the federal and state laws, rules, policies, and required procedures set forth in this WD Letter and have no local flexibility in determining whether and/or how to comply. All information with an NLF rating is indicated by “must” or “shall.”

Local Flexibility (LF): This rating indicates that Boards have local flexibility in determining whether and/or how to implement guidance or recommended practices set forth in this WD Letter. All information with an LF rating is indicated by “may” or “recommend.”

NLF: When submitting a CAR form, Boards must:

- complete the appropriate sections of the CAR form; and
- e-mail the completed CAR form to CAR@twc.state.tx.us.

Boards will receive an e-mail acknowledging receipt of the CAR form from their assigned contract manager by the next business day. Board requests will be approved or denied within 14 days of receipt of the CAR form, unless additional information or negotiation is required. The effective date of the contract amendment will be set no earlier than two weeks after management approval.
