Integrated Complaints, Hearings, and Appeals Rules – Board Complaint and Appeal Procedures	New, Amended, or Repealed Explanation and Guidance	
<p>823.1 Short Title and Purpose</p> <p>(b) This section applies only to complaints or determinations regarding federal- or state-funded workforce services administered by the Agency or Local Workforce Development Boards (Boards), as follows:</p> <ul style="list-style-type: none"> (1) Child care; (2) Temporary Assistance for Needy Families(TANF) Choices; (3) Food Stamp Employment and Training (FSE&T); (4) Project Reintegration of Offenders (Project RIO); (5) Workforce Investment Act (WIA) Adult, Dislocated Worker, and Youth; and (6) Eligible Training Providers (ETP) receiving WIA funds or other funds for training services. 	<p>823.1 Short Title and Purpose</p> <p>Complaints or determinations alleging noncriminal violations are subject to the requirements of these rules. These rules should not be confused with the processes for filing WIA nondiscrimination or equal opportunity (EO) complaints.</p> <p>Complaints or determinations within the identified workforce programs may include:</p> <ul style="list-style-type: none"> • A parent’s eligibility or child care enrollment is denied, delayed, reduced, or terminated by the Board’s child care contractor for any reason; • A parent alleges a child care contractor violated their right to choose from a specific child care provider type (i.e., did not present option for relative care); • A Choices client claims the Texas Workforce Center contractor unfairly recommended a sanction penalty to HHSC related to noncompliance with job search requirements; • An FSE&T mandatory work registrant is denied payment or reimbursement for a required work-related item or other necessary support service; • A Project RIO client is denied an initial assessment to determine employability and retention needs; • An eligible veteran or foster youth is denied priority for workforce services; • A WIA adult or dislocated worker is determined to be ineligible for

Although the Commission does not determine benefit eligibility or impose sanctions against these individuals, actions by the individual and/or Texas Workforce Center staff may affect the status of these benefits. HHSC is currently revising its process for convening fair hearings and staff may be required to call a toll-free number to participate in a hearing when an individual appeals a sanction determination from a penalty request initiated by Texas Workforce Center staff.</p> <p>823.1(c)(5) Separate procedures are maintained to resolve complaints concerning basic labor exchange, as those procedures and timelines are dictated in 20 C.F.R. 823.2 Definitions

(1) Adverse Action—Any denial or reduction in benefits or services to a party, including displacement from current employment by a Texas Workforce Center customer.

(5) Complaint—A written statement alleging a violation of any law, regulations, or rule relating to any federal- or state-funded workforce service.

This section clarifies and expands the meaning of certain definitions in this chapter.

823.2(1) Adverse Action

An adverse action applies to Texas Workforce Center customers who believe they have been adversely affected when a service or benefit has been denied them in whole or in part. It is recommended that all adverse actions be written down and placed in the customer's file.

Example: Notifying a parent that child care has been denied because of the parent's failure to report any changes in the family's circumstances that would have rendered the family ineligible for subsidized child care.

Adverse actions also may involve customers removed from a work-based service position (i.e., subsidized employment, work experience, or workfare) if it is determined that their employment took away that of an individual not participating in workforce services.

823.2(5) Complaint

Individuals receiving any of the workforce services referenced in §823.1(b) have the right to file a complaint and be provided with information about appeals rights. Complaints must be in writing, signed, and dated. A complaint must be made within 180 days from the date of the alleged violation. If an individual is unable or unwilling to file a written complaint, a verbal complaint must be put in writing by staff taking the complaint, with the date of the complaint. All complaints are then remanded for further action.

Information for all complaints must at a minimum contain:

- complainant's full name, telephone number, and mailing address;
- a clear and concise statement of the facts of the alleged violation;
- if applicable, names, titles, and addresses of persons who may have knowledge of the facts of the complaint; and
- the dates on which the alleged violation occurred.

These are individuals who have applied for or are eligible to receive federal- or state-funded workforce services administered by the Agency or the Board;• Other interested parties affected by the Texas workforce system, including subrecipients. These individuals may include child care or other service providers that have received a determination issued by the Board; and• Previously employed individuals who believe they were displaced by a Texas Workforce Center customer participating in work-based services such as subsidized employment, work experience, or workfare. <p>Boards may also receive objections regarding direct provision of workforce-related services that do not allege a violation of regulations, but rather concern dissatisfaction with the behavior of Board or contractor employees, or other issues not concerning workforce services directly.</p>	<p><u>NLF</u></p>

<p>(6) Determination—A written statement issued to a Texas Workforce Center customer by a Board, its designee, or the Agency relating to an adverse action, or to a provider or contractor relating to denial or termination of eligibility under programs administered by the Agency or a Board listed in §823.1(b).</p> <p>(7) Hearing Officer—An impartial individual designated by either the Board or the Agency to conduct hearings and issue administrative decisions.</p> <p>(8) Informal Resolution—Any procedure that results in an agreed final settlement between all parties to a complaint or an appeal.</p>	<p>These objections are handled through informal resolutions at the Board and contractor level; they are not covered in this guide and are not appealable to the Agency.</p> <p>More information is available on complaint procedures in §823.14 “Board Policies for Resolving Complaints and Appeals of Determinations.”</p> <p>823.2(6) Determination A Board, its designee, or the Agency may issue a written determination regarding actions that affect the type and level of workforce services provided. These actions may include adverse decisions affecting support services, education, training, or work activity assignments. These procedures frequently include binding arbitration under the Federal Arbitration Act in which both parties submit the dispute to a neutral arbitrator. The arbitrator’s decision is final and binding upon both parties.</p> <p>Boards may be required to follow the provisions of applicable collective bargaining agreements with respect to arbitration procedures.</p> <p>Wage and labor standards are applicable to individuals in on-the-job training or who are employed in activities under Title 1 of WIA and therefore must be compensated at the same rates as other similar employees, and paid not less than is provided by applicable federal, state, or local minimum wage laws. These individuals must be provided equivalent benefits and working conditions as other similar employees.</p> <p>Technical assistance is available for Boards encountering labor standards violations.</p>	
<p>823.14 Board Policies for Resolving Complaints and Appeals of Determinations</p> <p>(a) A Board shall establish written policies to handle complaints and appeals of determinations, provide the opportunity for an informal resolution, and conduct hearings in compliance with this subchapter for individuals, eligible training providers, and</p>	<p>823.14(a) Board Policies</p> <p>To maintain uniformity and consistency across all Board-administered workforce services in protecting due process rights, Board must establish local policy to ensure that Texas Workforce Center customers are notified in writing of any adverse actions and are provided with information on</p>	<p><u>NLF</u></p>

Failure to ensure that Texas Workforce Center customers are informed of their right to file a complaint or appeal the written notice of an adverse action risks violating due process principles.</p> <p>All Board directives that impact the rights, benefits, and privileges of employers, individuals, other customers, or organizations are official governmental policies, must be voted on, and adopted as Board policy in an open meeting*. Board policy-making involves developing and adopting directives as local guidelines that implement, interpret, or prescribe laws, regulations, and state policies.</p> <p>*As required by Commission rule §801.51(f) and as detailed in WD Letter 10-07, Board members must take such actions in an open meeting.</p> <p>823.14(b) Complaint and appeals policies developed by the Board must be made available to the Agency, Texas Workforce Center customers, and other interested parties upon request.</p> <p>823.14(c)(1) Determination Policy The Board or its designee must promptly issue a written determination regarding any action that adversely affects the type and level of services to any individual or provider directly affected.
