

Model C

- Board designates a separate organization as both the grant recipient/fiscal agent and administrative entity.
- Staffing of the Board is provided by the organization designated grant recipient/fiscal agent and administrative entity.
- As grant recipient/fiscal agent, the organization receives funds under contract directly from TWC. It is accountable for the management and disbursement of all workforce development funds.
- As administrative entity, the organization must contract out for all workforce training and services, unless a waiver is obtained. Competitive procurement for all workforce training and services is required.

Model D

- Board designates a separate organization as the grant recipient/fiscal agent. This organization receives funds under contract directly from TWC. It is accountable for the management and disbursement of all workforce development funds.
- The designated grant recipient/fiscal agent provides staffing to the Board.
- Board designates a third organization as the administrative entity.
- The administrative entity must contract out all workforce training and services. While the designated administrative entity for JTPA may provide services under that program without procurement, H.B. 1836 requires that all other workforce development programs be procured.
