Keyword: General

Subject: Required Workplace Posters

Date: September 1, 2010

This Technical Assistance (TA) Bulletin provides Local Workforce Development Boards with information on required workplace posters.

There are a number of federal and state labor laws requiring employers to notify employees and other individuals of their rights by displaying relevant posters. The Texas Workforce Commission has updated its Web site, <http://www.twc.state.tx.us/ui/lablaw/posters.html>, to include directions on acquiring and displaying all required posters. Updates to the Web site will be made as necessary.

Please distribute this information to appropriate staff. Direct all inquiries regarding this TA Bulletin to wfpolicy.clarifications@twc.state.tx.us.
