

1 **Calendar Year 2022 Late Refund Penalty Rate**  
2 **for Career Schools and Colleges**  
3 **Discussion Paper**  
4

5 **Background**

6 Texas Education Code §132.061(e) requires a career school or college to pay student refunds  
7 within a 60-day period; failure to do so requires the career school or college to pay a penalty.  
8 Section 132.061 also requires that the Texas Workforce Commission annually establish this  
9 penalty at a level sufficient to act as a deterrent to the retention of refunds. On September 1,  
10 1990, the annual rate of the penalty payment was set at the prime interest rate plus 10 percent.  
11 This rate, which was approximately 20 percent at the time, had no discernible impact on the  
12 timely repayment of student refunds. Therefore, the rate was increased to 250 percent, effective  
13 January 1, 1992. An example of how the late refund penalty rate is calculated follows:

- 14 • \$1,800 refund x 2.5 = \$4,500 annual rate  
15 • \$4,500 annual rate ÷ 365 = \$12.33 daily rate (effective the first day after the 60-day refund  
16 period)

17 Penalties paid are used to repay any:

- 18 • remaining amount of the student's loans;  
19 • tuition and fees paid by the Board; and  
20 • cash payments made by the student.  
21

22 Any money remaining after the above-mentioned payments have been made is deposited into the  
23 Tuition Trust Account for the benefit of all students.  
24

25 The current penalty rate expires on December 31, 2021, and the newly established rate will be  
26 effective January 1, 2022.  
27

28 **Issue: Impact of the Rate**

29 The 250 percent rate has proven effective in encouraging career schools and colleges to pay  
30 student refunds in the required timely manner. The sum of late refunds has steadily decreased  
31 from approximately \$400,000 in 1991 to a negligible amount in recent years.  
32

33 This provision imposes no additional costs on schools operating in accordance with the law.  
34

35 **Decision Point**

36 Staff seeks direction on maintaining the penalty rate for late refunds to students at the current  
37 annual rate of 250 percent for Calendar Year 2022. This will ensure that career schools and  
38 colleges continue to pay student refunds within the 60-day time frame required by statute.  
39
