All information with an NLF rating is indicated by "must."

Local Flexibility (LF): This rating indicates that Boards have local flexibility in determining whether and/or how to implement guidance or recommended practices set forth in this WD Letter. All information with an LF rating is indicated by "may" or "recommend."

<u>NLF</u>: Boards must ensure that Spanish-language professional development resources and activities are available at a level sufficient to meet the needs of local child care providers.

- **LF**: Boards may conduct a needs assessment of local providers to determine the need to provide professional development resources and activities in Spanish and other languages that may be applicable to their area.
- <u>NLF</u>: Boards must document their strategy to address Spanish-language professional development needs in the Board's Fiscal Year 2025 Child Care Quality (CCQ) Plan and in all future CCQ Plans.
- **<u>NLF</u>**: Additionally, Boards must be aware that translation of professional development resources and materials is an allowable use of CCQ funds.
- **LF**: Boards are strongly encouraged to ensure that trainers offering professional development in Spanish are registered in the Texas Early Childhood Professional Development System (TECPDS) Trainer Registry and that their trainings are included on the Board's TECPDS organizational dashboard.
