

Y-9 Form
Mainframe Office Information and Cost Center Update
INSTRUCTIONS

PURPOSE

To revise directory information for state office and field cost centers including location, contact, counties served, programs and services provided, ISP locations, days and hours.

PROCEDURE

The office manager, contact person or department representative completes Form Y-9 and forwards to Directory Services for approval. Directory Services staff will confirm all information, enter appropriate changes in the master directory database, and notify the Y-9 listserve of the changes via email notification.

For assistance or for directory inquiries, contact Directory Services at (Global Outlook) **Directory Services**, or by telephone at 512-936-1612.

INSTRUCTIONS: Please provide complete and accurate Form Y-9 information. A complete address is always required.

Date Requested: Enter today's month, day and year as MM/DD/YYYY

From: Enter the first and last name of person responsible for this request.

Effective Date: Enter the month, day and year this action takes effect

Type of Activity: Check Open, Close or Change. To add a new office location, check **Open**. To remove an existing office from the directory, check **Close**. To change directory information for an existing office, check **Change**.

REMARKS: Give a detailed description of the directory action to be taken
